A SHOUT OUT TO

Trang is a member of the cleaning staff at Bronte College and has gone above and beyond during these stressful times to accommodate to the new policies implemented on campus. Since the announcement of our Student Protective Policy, Trang has been flexible with her working hours and helps to fill in for extra shifts as required.

She has also adapted to extra cleaning duties as a result of these times and volunteered to work during the long weekend when needed. Trang plays a vital role in keeping our school a healthy environment for our students by cleaning the cafeteria tables after each meal and sanitizing the front entrance doors whenever a delivery is made at the school.

Thank you, Trang, for your dedication to providing a clean space at Bronte College. ***Your flexibility and willingness to help during challenging times is very much appreciated!***
