Dear Bronte Community,

- Social/physical distancing resources and videos are available for students around campus

## STUDENT RESIDENCE LIFE

**\*All residence activities are being held on Bronte College property and social/physical distancing policies continue to be enforced\***

This weekend our residence team put on some great events for our students to participate in on campus! The Murals & Paint night was a creative outlet for our students to show off their art work and paint something that represents them.

The Jelly Bean Guessing Game was a huge success and our winner won the whole jar of candy!

## STUDENT HIGHLIGHT:

### *Tina*

Tina is a grade 12 student and member of the 2019-2020 Yearbook club. She has gone above and beyond to help put together this year's yearbook for the school!

## Q&A

1. **What are some of your responsibilities as a member of the Yearbook club?**

As a yearbook managing editor, my responsibilities include:

- Making sure that pictures for each specific category in the yearbook are placed appropriately
- Complete the final check for all pages before yearbook submission and review any corrections
- Working with Miss. Jackie to ensure timely and correct submission of all deadlines to the plan, e.g selling of yearbook.

2. **What is your favourite part of being involved in student clubs?**

My favorite part of being in a student club is the brainstorming aspect. When creative minds gather together, they bring out a positive result to a challenge.

Thank you for all of your hard work this year Tina and your help in putting together an awesome yearbook for 2019-2020!

## A SHOUT OUT TO

**Angie Choung**, our Head Chef, for her part in preparing nutritious and cultural meals for our students daily. Angie maintains a clean and safe space in our cafeteria and ensures students sanitize their hands before and after all meals. This weekend our cafeteria will prepare a special Easter Sunday dinner for Bronte students. ***Thank you for your dedication, Angie!***

Bronte College staff have been going above and beyond to continue to care and provide for our students during this challenging time. ***We thank our entire team for their efforts!***
