

August 20th, 2020

Dear Bronte Community,

We are very excited to welcome new and returning students back to campus for the start of the upcoming school year! Virtual orientations are now taking place for new students, in preparation of their arrival to campus and the start of classes.

ORDER YOUR UNIFORM!

To order your uniform, click the link below and sign in with your username and password. Please submit your order before September 2, 2020. During this Pandemic, students are not required to wear uniform ties and blazers during class. Polo shirts are optional and permitted to be worn in replacement of white shirts until further notice. They are available for purchase in the Business Office. Friendly reminder to bring face masks.

ONLINE LEARNING FAQ

Q: Will the Online Learning Program be the same as it was last semester?

A: No. The online learning program we are offering for the first semester is self-directed by the student. The teacher will post lessons and activities on Microsoft Teams and the student must take initiative to complete them and meet all deadlines.

Q: Will there be conferences with the teacher?

A: Yes. The teacher will set a time for a conference and the student must ensure that they attend and are prepared for the teacher's questions.

Q: Can I contact the teacher for help?

A: Yes. Students can email the teacher through Microsoft Outlook to ask for assistance during the school day. Please be mindful of time differences.

Q: Is it better for me to study on campus?

A: Absolutely. The teachers will be running regular classes during the day on campus and will be available for help after school.

Q: Can new students start online studies and then come to the campus?

A: Yes. All students must start classes online, so they do not miss any material while waiting for their VISA, study permit, or flight arrangements, given current delays due to COVID-19.

COVID-19 SAFETY PROTOCOLS IN PLACE

Many changes have come to Bronte College's campus to ensure the health and safety of students and staff. The below outlines new protocols and enhancements made to the school building in preparation of the upcoming school year.

- Reduced class sizes to emphasize physical distancing
- Additional sanitization stations around campus
- Daily temperature checks for all persons entering the building
- Enhanced daily cleaning schedules
- New HEPA air filtration systems to purify air quality in each classroom
- Mandatory face masks to be worn in common areas
- Additional new safety measures to come

REMINDER

While face masks are mandatory in most indoor spaces in Ontario, physical distancing and hand washing continue to be the most effective ways to stay healthy and reduce the spread of COVID-19.

BRONTE'S PLANS IF ONTARIO GOES BACK INTO LOCKDOWN

At this time, Bronte College is preparing to offer in class lessons to our new and returning students for the upcoming school year. As Ontario continues to recover from COVID-19, we are pleased we are able to return to campus for class, with new safety protocols in place.

However, in the event that a renewed lockdown is mandated in Ontario, Bronte College is prepared to return back to the Online Learning Program that was implemented in March 2020. A full day of courses will be offered online, following the regular school timetable. This will only happen if deemed necessary by the Ontario government.
