Dear Bronte Community,

We hope everyone had a great Canada Day celebrating Canada's 153 birthday!

It seems like just yesterday that our students arrived for Orientation in September and now we are at the end of another school year. As we prepare to say farewell to this year's graduates, we would like to take the opportunity to look back at another wonderful and fun-packed year.

We hope all our students had a great year at Bronte and we look forward to welcoming students back in September. We are excited to spend the summer with students who are staying on campus. Our residence team has a fun-filled summer planned with great activities for everyone! To our students graduating, we wish you the best in post-secondary and hope to see you back sometime in the future.
