Dear Bronte Community,

Another great school year has come to an end! While there were many changes that came to Bronte College this year, we are proud of the way our community came together to make the best of our new policies and finish off the school year strong!

Congratulations Class of 2020! Your hard work, dedication and commitment to your studies has paid off! We are so proud of our Grade 12 students who adapted so seamlessly to the Online Learning Program, who took advantage of online resources to keep on top of their courses and finished off the final semester of high school on a great note. We know all of our Bronte graduates will go on to do amazing things and we wish you all luck and success in post-secondary!
