COLLEGE

June 25th, 2020

Dear Bronte Community,

Bronte College would like to give a big shout out to our student body and Class of 2020 graduates! Through hard work and commitment to their studies, our students finished off the academic school year strong and with many accomplishments. We thank all students for adapting to the Online Learning Program and doing their best to follow new safety protocols on campus. We are looking forward to spending the summer months together with students who are staying in the campus residence and are excited to welcome back returning students at the start of the fall semester!

"We would like to thank all teachers, staff and management at Bronte College for taking the very best care of the students."

– Parent of Bronte College, Rasita

"I am writing to sincerely appreciate your moral and academic support to our daughter over these last 10 months – It has been a wonderful experience for us as a family and indeed a life changing experience for our daughter. We found home at Bronte College because you provided over and above needed support to our daughter. Thank you so much especially to our counsellor, Mr. Frost and all the members of the faculty. "

– Parent of Bronte College, Segun & Bukky

This Friday **June 26**, a small graduation celebration will be held in our cafeteria for the Class of 2020 graduates.

To adhere to social distancing policies, we are asking that only Grade 12 students living in the campus residence join the small gathering at 7:30 PM on Friday.

Cake will be served, along with a touching video celebrating our graduates and memories of the 2019-2020 school year. All graduating students who are not living in the Bronte residence will receive a digital copy of the video as a keepsake and reminder of their final year at Bronte College!

Last week a barbeque lunch was held for our staff and students! Check out some great photos below:
