COLLEGE

PRIVATE | INTERNATIONAL | BOARDING

# WHO WE ARE

*Bronte College* is a private International Baccalaureate (IB) World School offering Grades 9 to 12 for day and boarding students. Our academic programming has attracted international students from almost every continent worldwide, and we are proud that students from over 30 countries call us home. Committed to providing a learning environment that emphasizes academic excellence and individual growth, we strive to cultivate open-mindedness, inclusivity and respect within the Bronte community. Focused in international student support and university preparation, students engage in a variety of extra-curricular trips and activities, varsity sports and the Advanced Placement (AP) Program. Our campus is located in the heart of Mississauga; diverse, urban, and consistently ranked one of the safest cities in Canada. Minutes away from Mississauga's vibrant city centre, the picturesque neighbourhood of Port Credit, and a short drive to downtown Toronto, a world of sights and attractions are just beyond our doors.

## Our Mission

### *Learning to Understand*

Bronte College aims to develop internationally-minded, lifelong learners who have the knowledge and courage to make a positive difference in the world.

## Our Faculty

### *Leading by Example*

Our exceptional teachers are dedicated to helping students achieve their personal best and get the most out of their education. Our teachers hold certification from the Ontario College of Teachers or teacher certification from world renowned teacher training programs. Bronte College teachers continuously take additional qualification courses with a variety of high-profile universities within the GTA. Passionate about challenging students to strive for excellence, our teachers provide support beyond academics, and into co-curricular activities that develop leadership, confidence and respect.

*"To open one's mind to the love of learning is to open the world in unimaginable ways"*

# ACADEMICS

Bronte College strives to create exciting academic programs that will assist students in their endeavour to access top schools around the world.

Bronte College follows the Ontario Curriculum and also offers additional enrichment programs including the International Baccalaureate (IB) Diploma Programme and Advanced Placement.

As an International Baccalaureate (IB) World School, Bronte College encourages a collaborative learning environment that focuses on inquiry-based learning rather than fact memorization in all our classes. By satisfying the requirements of the Ontario Ministry of Education Curriculum guidelines, all Bronte students will graduate with an Ontario Secondary School Diploma (OSSD) and have the option of pursuing the IB Diploma Programme (DP) in Grades 11 to 12 or Advanced Placement (AP) in Grade 12. Students enrolled in these enriched programs may be granted university transfer credits upon successful completion of Grade 12 courses.

## Pathways to Post-Secondary Education

*\*All Bronte College students work toward obtaining their Ontario Secondary School Diploma (OSSD). IB and AP are optional specialty programs. Students enrolled in the IB DP take 6 credits in grade 11 and 8 credits in grade 12. Students enrolled in the IB DP or AP program may be granted transfer credits at the university level upon successful completion of their IB courses/exams, or AP exams.*

## Semester Intakes

September  
[1<sup>st</sup> intake]

February  
[2<sup>nd</sup> intake]

July  
[Summer School]

Bronte College has three semester intakes in September, February and July (summer school). The fall semester starts in September and ends in January, whereas the winter semester begins in February and ends in June. If students are interested in continuing their studies in summer school, it starts in July and goes until August.

# Programs

## IB Diploma Programme (DP)

Recognized for its excellence by universities worldwide, the DP prepares students in Grades 11-12 for success in post-secondary education and beyond. Enabling the intellectual, social, emotional and physical development of students, the DP gives students the opportunity to study from six subject groups: Language and Literature, Second Language Acquisition, Individuals and Societies, Experimental Sciences, Mathematics and Computer Science, and the Arts. The curriculum requires students to study at least two languages in order to expand their understanding of different cultures. In addition to interdisciplinary study, the DP challenges students to apply the knowledge and skills gained by the programme through three core elements:

- 1) The Extended Essay
- 2) Theory of Knowledge
- 3) CAS (Creativity, Action and Service)

## Advanced Placement (AP)

The AP Program gives students the opportunity to take university-level exams while attending high school. Admissions officers at colleges and universities recognize the level of difficulty of AP exams, understanding that applicants with AP experience are better prepared for post-secondary studies. Bronte College offers AP exams based on paper and pen (no electronic devices).

Our students conveniently write their AP exams on campus, as Bronte College is the regional AP Testing Centre. On request, the College Board can forward student exam results to the universities of their choice.

Successful results on AP exams enable students to have first-year university transfer credits, advanced placement or both. By earning university transfer credits or advanced placement, students can save both time and money in university.

## Express Program (Grade 12)

The Express Program is a specialized program where students earn up to six (6) Grade 12 pre-university credits from December to June. Designed for students who are highly motivated and capable of achieving excellent results in a compressed time period, students have the opportunity of entering university in September of the same year.

## English Support

To assist international students' transition from an ESL environment to a full academic program, students will be placed in our standard ESL program according to their pre-assessed level, in conjunction with other credit courses. Intermediate/advanced students will have the opportunity to improve their proficiency while working toward the completion of their Ontario Secondary School Diploma, while beginners will benefit from the additional opportunity to practice their English skills.

## Bill

Country of Origin: **China**

University: **Queen's University**

Program: **Smith School of Business**

Clubs: **Prefect Committee, Food Committee, Laundry Team, Dance Team**

## Meet BILL

**Grade 12**

*Bill is a driven Grade 12 student at Bronte College who has achieved his dream of gaining acceptance to the prestigious Smith School of Business at Queen's University. Before coming to Bronte, Bill lived and studied in China. He is an active member of both the Prefect Committee and Food Committee at Bronte College.*

### **Congratulations on your university acceptances!** **How was your experience applying to post-secondary?**

Queen's University Smith School of Business has always been my goal. Before applying for the university, I had made full preparations to understand the admission requirements of the program. The Smith School of Business focuses not only on academic performance, but also on extracurricular activities and leadership. This is a reason why I actively participated in different student clubs and activities during my stay in Bronte College. Applying for business school is one of the most difficult things I had to do. It requires preparation of many papers, personal essays and so on. Fortunately, I was admitted to the Smith School of Business at Queen's university, one of the best Business schools in Canada. I feel that all my efforts have paid off!

### **In your opinion, what are the best features about Bronte College?**

Bronte offers rich course selection and each class has a small number of students, which is beneficial for direct communication between students and teachers. There is daily one-on-one tutoring from classroom teachers and support from guidance counsellors when applying for university. Living on residence is very safe as there are night teachers and 24-hour front desk security.

### **How did you feel supported while staying on campus during the COVID-19 Pandemic?**

During the period of COVID-19, a full-day of online learning was implemented, with full day online courses to ensure that academic performance and college admission would not be affected. There were lots of interesting residence activities being held to participate in while keeping a social distance, such as paint nights, crafting and watching movies.

# LEARNING ENVIRONMENT

Bronte fosters an environment of open-mindedness, inclusivity and intercultural respect. Our highly qualified teachers and counsellors encourage the development of students to their fullest potential.

We provide support in determining students' academic goals and future plans.

# WHAT DO I NEED TO GRADUATE?

## 30 Credits

## OSSLT

### The Ontario Secondary School Literacy Test (OSSLT)

- Created and assessed by the EQAO (Education Quality and Accountability Office)
- Evaluates language skills based on the Ontario Curriculum's expectations at the Grade 9 level in the formal OSSLT test
- Bronte College holds a Mock Literacy test prior to the OSSLT
- Students who do not pass the Mock Literacy Test will receive help to prepare for testing

## 40 Hours

### Community Service

- Students must complete 40\* hours of community service
- May be completed at any time during their high school years
- Service may take place in businesses provided it does not replace a paying job, non-profits, public sector institutions and informal settings

*\*based on year of entry: grade 9/10 – 40 hours, grade 11 – 20 hours, grade 12 – 10 hours*

## Ontario Secondary School Diploma (OSSD)

Students who successfully complete high school are awarded the Ontario Secondary School Diploma (OSSD) from the Ontario Ministry of Education. Students who have taken secondary school courses in another country will be offered equivalent credits based on the successful completion of those courses.

**Become familiar with the requirements students must fulfill in order to graduate with an OSSD.**

# Meet **Grade 11** AMBER

*Amber is a Grade 11 student at Bronte College who has a passion for knowledge and learning new cultures. Before studying at Bronte, Amber lived and studied in Vietnam. She is interested in studying Forensic Science in university and plans to apply to the University of Toronto. Amber is also a member of the Prefect Council, Debate Club and the Tutoring Club at Bronte College.*

## **What do you feel you have gained during your time as a Bronte student?**

As a Bronte student, the most significant thing that I have gained is a global perspective and new friends from so many cultures around the world. I love that I'm able to learn the first-hand experience of what it's like to grow up in another country, their traditions, and the difference in our knowledge.

## **What is the biggest difference between studying in Canada and studying in Vietnam?**

For me, the biggest difference between studying in Canada and studying in Vietnam is the level of practical activities. Back in my home country, we spend more time studying theories and don't have much chance of applying what we learn in class into real life. That is what I love from studying in Canada because everything is much more hands-on.

## **Tell me about your experience studying in Canada so far.**

My experience in Canada has gone exponentially well. Even though this is my first time studying abroad, I feel I have adapted well to the environment here and fit in immediately. I have learned a lot of new things from amazing courses at Bronte and more importantly, I have been able to meet incredible new friends and teachers!

## **What is your favorite extra-curricular club on campus?**

To me, the Tutoring Club is extremely useful and has greatly influenced my time spent at Bronte. The Tutoring Club gives me more time to complete my school work and an opportunity to ask my teachers questions for clarification.

# CAMPUS LIFE

Begin your adventure and move confidently in the direction of your dreams to live the life you have imagined at Bronte.

Centrally located in Mississauga, our campus is comprised of our residence, cafeteria, academic facilities and backs onto a quiet conservation parkland.

# Residence

Bronte College offers safe and comfortable residence rooms to over 350 students. Approximately 83% of the rooms are single rooms while the remainder of the rooms are shared (double and quad rooms). Open during all holidays and school breaks, the residence houses students from all over the world, creating a vibrant living environment.

## Residence Staff

Our Residence Staff are dedicated to creating a welcoming environment that will further students’ development and enhance their academic potential. They ensure student safety and well-being while creating a dynamic campus life after school and on weekends. They help lead a variety of after school and weekend trips such as the CN Tower, Niagara Falls, Canada’s Wonderland and Quebec City. Bronte College strives to make residence a rewarding experience for all students, resulting in lasting memories and lifelong friendships.

## Residence Life Program

The Residence Life Program is mandatory for residence students under the age of 17. Students enrolled in the program must attend supervised Study Hall sessions on Monday to Thursday evenings, from 7:00-9:00pm. They may also participate in most of the weekend trips described above at no additional cost.

## Homestay

In addition to residence accommodations, Bronte College offers a homestay program, which allows students in Grades 9 to 12 to live with a local host family. Host families are located near the campus and are an ideal way for students to get acclimated to Canadian life. We place students with a host family based on hobbies and preferences to ensure a comfortable and fulfilling experience. All Homestay host families are required to go through a comprehensive screening process, including reference checks, personal interviews, home visits and a Police Records Check.

# Facilities

Open all year round, students can enjoy the amenities we have to offer, including our fitness room, gymnasium, auditorium, library, outdoor field, courtyard, art & science labs, full-service cafeteria. All classrooms are equipped with SMART technology to enable interactive, collaborative learning. Facilities are subject to use during designated times.

## Cafeteria

### *More than Just Food*

Our cafeteria provides nutritious meals prepared by a multicultural team and is open 365 days per year. We offer students a full meal plan. Students are served breakfast, lunch and dinner Monday to Friday, as well as an evening snack Monday to Thursday. Brunch and dinner are served on weekends and holidays. Vegetarian and halal options are available for all meals.

## Library

### *Inspire Curiosity*

Our library is a wonderful space designed to facilitate collaborative learning for students. Being the hub of the school for networking and information access, the library is a place for all to read, research, study and collaborate. Students utilize current technology by blending a variety of print and digital resources to enhance their learning.

## Gym & Outdoor Field

### *Focus, Skill & Teamwork*

Our campus has a gymnasium and multi-purpose outdoor field, where many athletic, social and extra-curricular activities take place. Additionally, we have a fitness room open seven days a week.

*“Being a part of the Food Committee is great because I get to learn more about food from different countries, experience new cultural dishes and work with my friends outside of academics” – Ruhi*

# Meet FEMI

Class of 2017

*Femi is a Bronte College alumnus, who is part of the Class of 2017. During his time at Bronte, Femi was involved in many extra-curricular clubs and served as a Student Don in residence. Since graduating, Femi has gone on to post-secondary where he studies Biomedical Science at York University in Toronto, Ontario.*

## What did you like most about your time at Bronte?

I liked the friendly teaching and non-teaching staff like Mr. Frost who helped make my transition to Bronte College easier and made my stay enjoyable. They did this by creating a friendly and welcoming environment which helped me get the best out of both my academic and extracurricular life at Bronte. Also, the small class sizes helped me as a student get the best understanding from what was being taught by each of my teachers.

## In your opinion, how did Bronte College prepare you for post-secondary?

My experience at Bronte College prepared me for my first-year courses at university as I had the skills to apply the knowledge and foundations I learned at Bronte to my post-secondary classes. I had the opportunity of being a Student Don at Bronte College and this experience helped me learn how to balance school work with other responsibilities. The extra-curricular activities I was exposed to helped me work on and improve my teamwork and leadership skills which have positively impacted my participation and involvement in clubs at university.

## How did your perspective on Bronte College — and on your experience there — evolve now that you have graduated and gone onto post-secondary?

I came into Bronte College not knowing what to expect and I opened up myself to the different experiences they provided. After leaving Bronte, I realized it had helped prepare me for my post-secondary experience both academically and socially.

## Do you have any advice to new incoming students?

My advice to new incoming students would be to enjoy what Bronte has to offer. Make friends with other students and interact with your teachers. They are there to help you succeed!

# EXTRACURRICULAR ACTIVITIES

Find your passion, discover your interests and create memorable experiences at Bronte College. Bronte's campus delivers lively and dynamic opportunities that will fulfill and enhance yourself.

There are many opportunities for students to develop themselves through our extracurricular activities, such as athletics, student clubs and involvement within the local community.

# Supplementary Activities

## Clubs & Athletics

We recognize the immeasurable value of education beyond the classroom, and offer supervised athletic activities and student clubs after school hours. As a member of the Region of Peel Secondary School Athletic Association (ROPSSAA), our students compete with other area schools in a variety of sports. We offer clubs, sports and activities based on student interest, so each semester's extra curricular program is unique and engaging.

## Prefect Council

Students have the opportunity to apply to become a member of the Prefect Council. Prefects are expected to demonstrate a high level of academic achievement, exemplary behaviour, and a desire to develop leadership skills. Prefects organize a variety of student activities that unify the student body and create school spirit and also assist the administration by representing Bronte at open houses and school events.

## Arts

Our Art Program covers a wide range of concepts and themes including Art History, the Elements of Art and Design, Media Literacy, Photography, Contemporary Art, Music and Drama. We encourage students to allow their cultural backgrounds to inspire their work, and promote a learning environment that is divergent in thinking, engaging, and relevant.

Each year we host an Art Showcase highlighting exemplary work that demonstrates the techniques students have learned in the classroom. Art students also have the opportunity to attend field trips to various galleries, allowing them to make connections between exhibits and what they have learned throughout the course. Throughout the year, students are given opportunities to display their work around the school and through school-hosted events to make connections between theory and application.

Cordelia is planning to study law after university graduation to become a lawyer in Canada. Congratulations Cordelia on your amazing successes and acceptances!*

### **What has made your time at Bronte College special?**

Studying at Bronte has been a special time for me because it gives me a unique experience. I have an excellent opportunity to meet students and staff from different cultural backgrounds. I have learned about a variety of cultures and improved my English skills at the same time, which I feel really grateful for.

### **What is your favorite subject to study in school?**

### **Do you feel you have improved in this class since studying at Bronte?**

English is my favorite subject to study at Bronte. All of the English teachers are very professional and understand ESL students' difficulties. I feel I have greatly improved my English skills, and it contributes to me having more self-confidence to get along and communicate with members in the community. I am thankful to all the English teachers who have taught me!

### **What is your favorite event organized by the Residence Team at Bronte?**

My favorite residence event was the French Canada trip, I visited Ottawa, Montreal and Quebec City in four days. It was a memorable trip because it gave me an excellent opportunity to see another side of Canada with my friends at Bronte.

### **Tell me about your experience living in Canada.**

Overall, my experience living in Canada has been marvelous! I am glad I chose to live and study in Canada as it is a multicultural country that is safe and welcoming to foreigners.
