

November 20, 2020

Dear Bronte Community,

Our face-to-face classes have moved to online learning at the start of this week and will continue online until Monday November 30th, 2020. We will be reviewing the school closure during these two weeks. As the number of COVID-19 cases continue to climb in Ontario, we have decided to reduce the amount of outside staff that interact with students on a daily basis. The goal of Bronte College continues to be to maintain the health and safety of our students.

Diwali Celebration

The Cafeteria hosted a wonderful Diwali dinner to celebrate last week! Diwali is a five-day Festival of Lights, celebrated by Hindus, Sikhs and Jains worldwide. Diwali is celebrated as a festival of new beginnings and symbolizes the victory of good over evil.

"What makes me so excited ..."

"What makes me so excited about the food is the spice. Although it is fairly spicy, the taste is absolutely different from the daily menu. I love it!"

"I am utterly astonished..."

"As a vegetarian, I am utterly astonished by the taste of samosas. I am completely satisfied with the food."

ONTARIO UNIVERSITY APPLICATION CENTER (OUAC) APPLICATIONS DUE ON DECEMBER 8TH

OUAC meetings with our Grade 12 graduating students have been a success so far! Students have filled out their application, selected universities with the help of the guidance department and are ready to pay and submit their application.

In order for students to pay for their university application, they will need access to their parent's credit card (Visa, Mastercard or American Express) to officially submit the application. Students will have another meeting with the guidance department where we will look over their application, help with payment and submit their application.

The due date is **December 8th at 4:00pm EST**. Please have students contact Mr. Jordan Frost, the Head of Guidance, if they have any questions.
