

BRONTE

COLLEGE

April 22, 2021

Dear Bronte Community,

This past weekend, the Ontario government, in consultation with the Chief Medical Officer of Health as well as other health experts, made the decision to strengthen enforcement of the province's Stay-at-Home order, along with strengthening public health measures and imposing new travel restrictions. These decisions are aimed at halting the rapid spread of COVID-19 rates and relieving some of the pressure on the province's current health care system. As always, Bronte College remains committed to the safety of our students and staff, and we continue to closely monitor government updates. There continues to be **zero** active cases of people (staff and students) with COVID-19 at Bronte College. We are proud of the early decision made to continue with online learning and are dedicated to keeping our students and staff safe with our health and safety protocols on campus.

RESIDENCE LIFE

Our residence students had the opportunity to unleash their creativity with a group favourite : Glass Painting ! This past week our students on campus also partook in some friendly competition during board game night, kicked their feet up and enjoyed a movie night and got moving with some fun games of volleyball and badminton! This upcoming week our students can look forward to some self-care crafts, a mystery game of wink detective, an exciting quiz show evening with prizes, a cooking class, and more!

WHAT'S HAPPENING ON CAMPUS?

Ms. Cyr continues to host a variety of different clubs and activities on campus. A reminder students on campus can reserve the gym space for activities. This week Ms. Cyr will be hosting Basketball on Tuesday, Dance Choreography on Wednesday, Soccer on Thursday and Flex Friday, where students can request activities for Ms. Cyr to host!

GUIDANCE NEWS

The end of April and the month of May are busy times for university offer letters! Students will be receiving a decision on admission from OUAC universities before the end of May. Students are asked to please send the guidance department a copy of their offer letter once received so they can go over acceptance conditions with their guidance counsellor (grade point average, courses, and language requirements).
