

BRONTE

COLLEGE

April 29, 2021

Dear Bronte Community,

As this month comes to an end, we have so much to look forward to in the coming weeks and months at Bronte College. Firstly, we would like to wish all those who celebrate, a Happy Children's Day (Día Del Niño). Mexico has celebrated El Día Del Niño annually since 1925. This day focuses on the importance of loving, accepting and appreciating children. This is often celebrated in Mexico by teachers and family by hosting games, playing music, offering gifts and sharing food with children.

GRADUATION CEREMONY

The Bronte College Graduation Committee is excited to announce that an in-person and virtual graduation ceremony will be taking place for our Class of 2021 on Tuesday, June 22nd at 9:30 am EST.

The form and invite were sent to the Bronte College Outlook email addresses of our Class of 2021 last Friday. Please RSVP by Friday April 30th for the In Person or Virtual Grad Ceremony and remember the importance of celebrating this incredible milestone! We are excited to see our students celebrate either in person or virtually. Please contact Mr. Frost at jfrost@brontecollege.ca if you have any questions.

WHAT'S HAPPENING ON CAMPUS?

What a busy and eventful week on campus it has been! Our students stayed active with Fitness club on Monday after school, participating in an intense HIIT workout. Tuesday was busy with Basketball hosted in the gym and a special debate event held by Ms. Moffatt in the auditorium. Wednesday included badminton and a special dancing event held by Ms. Mukherjee. Students can join in on Soccer after school on Thursday, or, if they want to dip their paintbrushes, Ms. Macauley will be hosting a "Happy Accident Painting" event! To end off the week, students can enjoy Flex Friday with Ms. Cyr and request an activity, as well as join in on Dance Choreography on the Stage in the gym!

RESIDENCE LIFE

This week our residence students practiced some self-care with some DIY lip scrubs, played a mysterious game of wink detective, participated in some pop-culture quiz show evenings, played their favorite sports, and got creative when painting rocks! The students also practiced their culinary skills in cooking club where they made some delicious crepes topped with some chocolate, ice cream and syrups. During the month of May students can expect some new sports, fun games, creative activities and more!

GUIDANCE NEWS

The end of April and the month of May continue to be busy with university offer letters! Students will be receiving a decision on admission from OUAC universities before the end of May. Students should send the guidance department a copy of their offer letter once received so they can go over acceptance conditions with their guidance counsellor (grade point average, courses, and language requirements).
