Dear Bronte Community,

This past weekend Canadians celebrated the Victoria Day holiday. Victoria Day often marks the start of summer for Canadians. This holiday originally began in 1845 as a celebration in honor of Queen Victoria, and began as a Canadian federal holiday in 1901, which was the year of Queen Victoria's passing.

We hope that our students were able to take some time to enjoy the sunshine and relax during our second Spring break and long weekend holiday. We hope that the time off has got our students recharged and ready to work hard during these last few weeks of classes!

WHAT'S HAPPENING ON CAMPUS?

Our students got right to it after our Spring Break with badminton and basketball competitions on Tuesday, and part two of our much-requested self-defence class! Wellness Wednesdays are a popular choice for our on-campus students at lunch, along with the creative writing workshop hosted by Ms. Leonard and Ms. Reisch after school. Students on campus also had the opportunity to gain some community service hours on Thursday and do an outdoor cleanup around school property. With the lovely weather, our students also played a soccer game. Fun Fridays are still a go during lunch hour, when our students on campus can head to the library for board games or cards. Our students can also look forward to Flex Friday, when Ms. Cyr will host an after-school activity of the students' choice.

GUIDANCE NEWS

University Decision Time:

All Ontario university offers were made to students by May 27th. Students must make a decision by **June 1st** on OUAC and in some cases the university portal websites as well. Students have talked to their guidance counsellors and are also encouraged to talk to their parents when finalizing their university decision. Students must email or teams message their guidance counsellor with a screenshot of their OUAC account accepting the offer so that their academic file and graduation information can be updated. Students who applied outside of Ontario are to contact Mr. Frost at jfrost@brontecollege.ca with their final decision by June 1st.

If you have any questions, please reach out to Guidance.

RESIDENCE LIFE

During the break, residence students took the opportunity to enjoy the beautiful spring weather. They learned a new art technique - leaf painting, and played some mini games during "Minute to Win It." Students also got up and moving with some badminton, spike ball and volleyball. As we walk into the month of June next week, our students can look forward to some fun new activities before we welcome the end of the school year!

GRADUATION 2021

We are so proud of our graduates of 2021 – what a milestone! A reminder that our virtual and in-person graduation celebration will be occurring on Tuesday, June 22 at 9:30 EDT.
