

BRONTE

COLLEGE

June 3, 2021

Dear Bronte Community,

With less than a few weeks left of classes, we hope our students continue to work hard as the school year comes to an end. We would also like to take this time to welcome our new students to the Bronte family. New students should have received their orientation package this week – we are excited to properly welcome you to campus in August!

In preparation of the upcoming school year, we are encouraging all our new and returning students to come to campus **two weeks** prior to the first day of school, which is on September 7th. Government requirements on quarantine for international travel may change by then, but we want to ensure our students have adequate time to quarantine if this is still a necessary requirement come September. We expect to be in-person for classes in September and look forward to welcoming our students to campus!

WHAT'S HAPPENING ON CAMPUS?

Once again it's a busy week on campus! Ms. Dias hosted a special dance event for our students Wednesday after school and Thursday was a great day for our students to engage their creative sides – with origami during lunchtime art hour, and an art event hosted after school! As usual, students are able to enjoy Fun and Flex Fridays with Ms. Cyr – playing games during lunchtime and sports and physical activities after school!

RESIDENCE LIFE

To end off the month of May and welcome the month of June, students in residence have been getting outside to enjoy the beautiful weather! Students had the chance to participate in an exciting obstacle course, run by one of our students, Efe – a huge thank you to him for leading this activity!

Students also got moving during sports day with some volleyball, badminton, and spike ball! Some made the most of cloudy days to play some board games and stay in. Next week students can look forward to a movie night, some origami and hopefully the chance to plant some flowers with the beautiful upcoming weather.

GUIDANCE NEWS

The Guidance Department has hosted a workshop with practices and strategies on how students can succeed on culminating activities this week. Students who were unable to attend are encouraged to check out the Guidance Microsoft Teams page for the recording!

The Grad Committee is excited for the upcoming graduation ceremony that will celebrate both in-person and online students who are graduating from Bronte College. Grade 12 graduates can fill out the grad ceremony form found on the Guidance 12 Microsoft Teams page to confirm their in-person or virtual attendance, and specify if their parents will sign onto the live graduation ceremony virtually.

Lastly, a huge congratulations to all our grade 12 students who have accepted their university offers! This is an exciting new chapter in your lives that could not have been accomplished without hard work. Please continue to work hard for the rest of the semester and during culminating activities to meet the conditions in order to keep your offers and scholarships.
