Dear Bronte Community,

There is only one more week left of school! This school year has flown by, but it's not quite over yet. We encourage our students to work their hardest during this final stretch before they can sit back and enjoy their summer break. A huge shout out to our incredible students who have all adapted to online learning for most of this year, this upcoming break is well-deserved!

RESIDENCE LIFE

This week students in residence got to recharge after studying with some fun artistic activities. They practiced the art of origami and tried painting suncatchers. They sat on the edge of their seats during a scary movie night and put their chef hats back on while making Summer Rolls led by our fantastic student don, Simon. As always, students also had the opportunity to get moving during some favourite sports. Next week students can expect some fun game nights, some friendly competition during volleyball, tie dye and more!

A SPECIAL SHOUTOUT TO *Parampreet!*

This week we would like to profile our School Nurse on campus, **Preet!** Preet has played a very important role on campus, ensuring our students are healthy and well. She has been working hard along with the Pandemic Committee to ensure Bronte remains a safe place for our staff and students during these unprecedented times.

Our Bronte staff and students are very appreciative of Preet's hard work and dedication. She has shown her support to our residence students by organizing COVID-19 testing and vaccinations. With her efforts, many of our students on campus were able to receive their first dose of the COVID-19 mRNA vaccine. ***Preet, we thank you for all your dedication in making Bronte a safe place for our community, and for keeping our students healthy!***

GUIDANCE NEWS

Students are working hard on culminating activities that are worth a big part of their overall grade. Teachers have been available for conferences and questions while the guidance department has been conducting their June check-ins to support all students. All students must complete all coursework before the absolute deadline of June 18th. For any questions please be sure to contact the Guidance department.
