

Dear Bronte Community,

Thank you to all our students and their families who joined us last week for our Virtual Orientation sessions! We hope it was informative for you – we are very excited to have you join our Bronte College family! A recording has been posted on Microsoft Teams. If you have any questions about accessing Microsoft Teams please contact Melody in our Guidance office at yxiang@brontecollege.ca.

Ontario entered Step 3 of the Reopening plan on July 9, 2021 and continues in this stage currently. The province is expected to remain in Step Three until 80% of the population aged 12 and over has received one dose of the COVID-19 vaccine, and 75% have received their second. This is exciting news as we prepare to welcome our incoming students in September!

Please note that Bronte students are still expected to follow COVID-19 protocols on campus.

WHAT'S HAPPENING ON CAMPUS

Fridays continue to be special on Bronte College campus. We are happy to continue with International lunches, where our students can enjoy a meal from a different country in the world every Friday. This past Friday we featured cuisine from South Korea, with dishes such as Omelette Rice and JapChae (noodles). Our students have also been enjoying delicious barbeque dinners every other Friday in the cafeteria!

Are you a foodie? Are you interested in getting involved on campus?

Consider joining the Bronte College Food Committee! Our Food Committee works together to brainstorm menu ideas and ensure our dishes are diverse and tasty for our students to enjoy!

If you are interested in joining the Food Committee, email Dr. Gouda at ngouda@brontecollege.ca

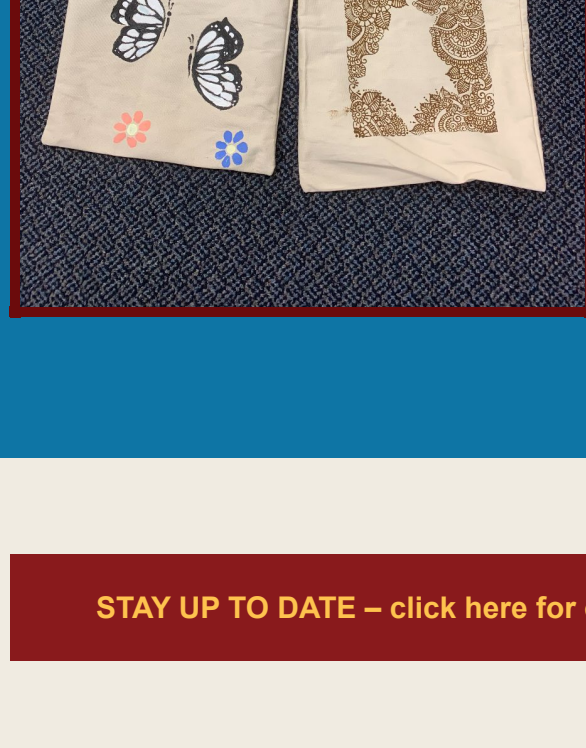

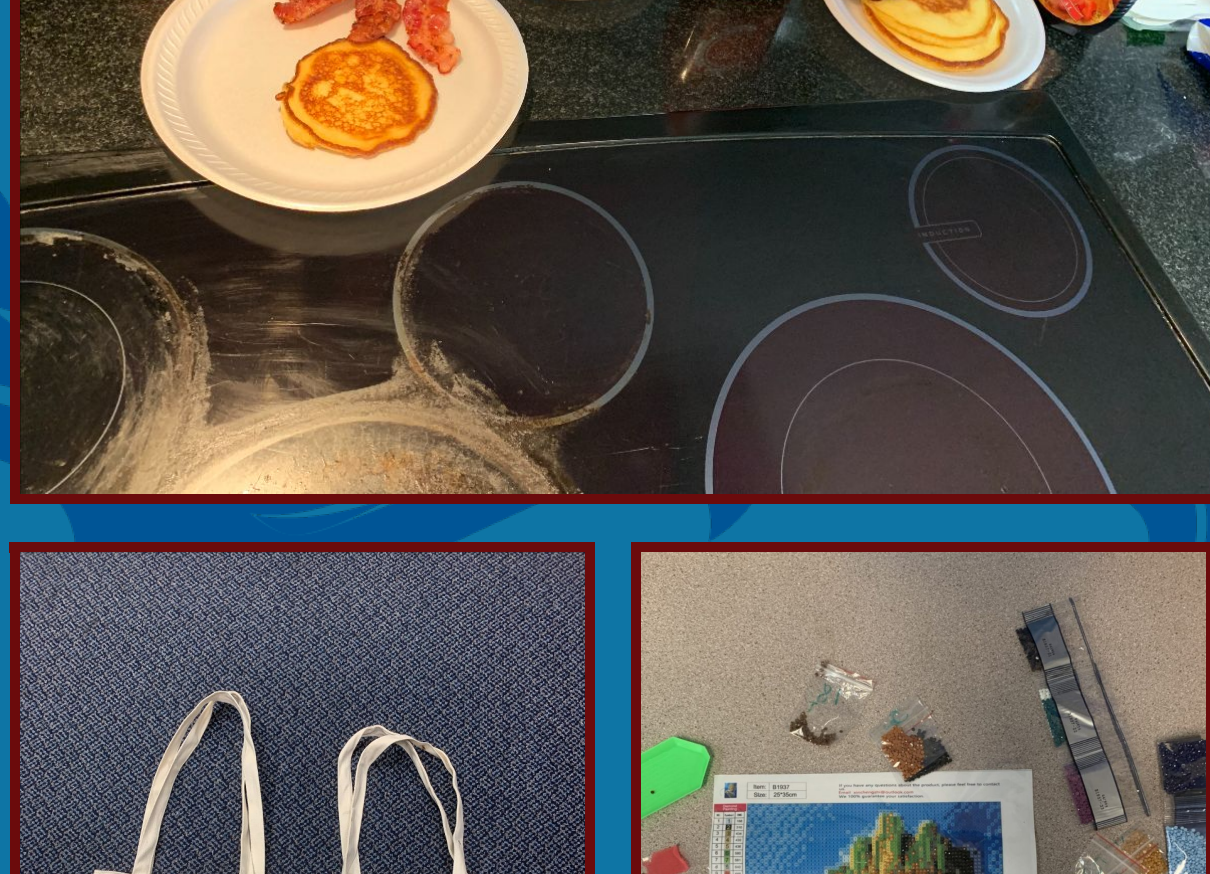

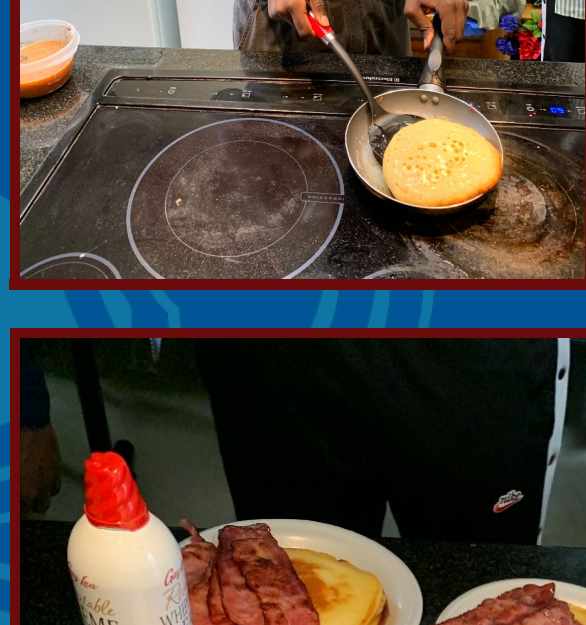

SUMMER SCHOOL

Our first summer school session is coming to an end today. Second session of summer school will continue on until August 19, 2021. Please be sure to keep up with Microsoft Teams messages and emails from your teachers.

RESIDENCE LIFE

This month students in residence had the opportunity to go explore outside, making the most of the summer days! Students continued to perfect their cooking abilities during weekly Cooking Club. We got up and moving during some games of badminton, volleyball and spike ball this week. Students in residence also got crafty this month where they learnt some sculpting techniques, decorated tote bags, patiently completed dotting by number paintings and made some beautiful beaded jewelry. Students had time to kick back and relax with friends during movie nights and board game days.
