

Dear Bronte Community,

We hope you are enjoying the last few weeks of summer holiday and are preparing for an exciting school start in September!

ORIENTATION

To our new students – if you missed our orientation session on August 18th please check out the 2021 Orientation page on Microsoft Teams and view the recording so you are up to date on classroom expectations, important tips from Guidance, and ordering your uniform package prior to arrival.

A reminder to our new and arriving families that parents are not permitted on campus. New incoming day students should visit campus on September 1st at 9am.

Please note all day students must be fully vaccinated against COVID-19 in order to attend.

A reminder that we will also be hosting a virtual orientation for all new students on September 2nd! The orientation link will be posted on the 2021 Orientation page on Microsoft Teams. **We look forward to seeing you all there!**

WHAT'S HAPPENING ON CAMPUS

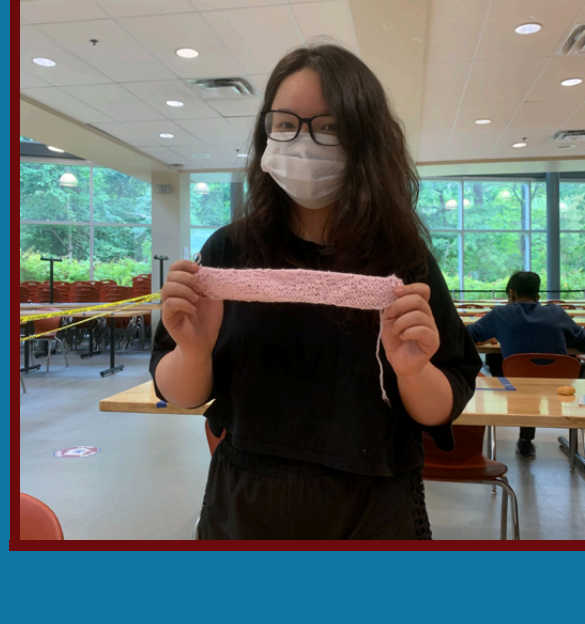

SUMMER SCHOOL

Students wrap up summer school today and get some much-needed relaxation time before our semester starts back up in September! Congratulations to all our summer school students for working hard and finishing up their classes.

RESIDENCE LIFE

Students in residence have been enjoying the summer weather and adventuring outside! Within residence, students have been exploring new hobbies such as sculpture, painting and learning to knit! Our res students are also getting up and moving during some competitive games of badminton. As we welcome more students back to residence in the upcoming weeks, students can expect some more arts events, some tie dye activities, more badminton games, volleyball and more!

MEET DR. GOUDA – HEAD OF STUDENT GOVERNANCE

Dr. Gouda has worked at Bronte College for many years. He taught science for many years, and is now responsible for the wellbeing and safety of our students on campus, acting as Head of Student Governance. Additionally, Dr. Gouda serves as the custodian for our residence and homestay students under the age of 18.

A message from Dr. Gouda:

"Every day of my teaching and administration career has been an insightful learning experience. The students' enthusiasm and energy are infectious and motivates me to strive constantly to enhance my skills. Bronte College is what it is, because of you... and I am what I am, because of Bronte College family. Continue to contribute to the school's growth in whatever way you can!"

IMPORTANT DATES TO REMEMBER

August 21 – Earliest date to return/arrive on campus
