

Message from the Head of School

"What a wonderful start to our school year as we begin our classes face-to-face. Students are enjoying the sun and warm weather plus soccer is back making for some exciting games. We are so thankful that your children have come to Bronte College to engage in classroom learning as we do believe that it is the best method of achieving high marks.

Much is planned for the new school year, and we hope that all students will engage in the activities. The Pandemic is still a part of our lives, and we are taking all precautions at Bronte College to ensure the safety of our Bronte community. Please remind your son and/or daughter to practice all COVID-19 safety rules when they are off campus. It is our hope that we will continue to remain a face-to-face learning school for the entire year.

Please do not hesitate to contact me with any concerns you may have during the school year."

Warm regards,

Diane Finlay
Head of School
