

Dear Bronte Community,

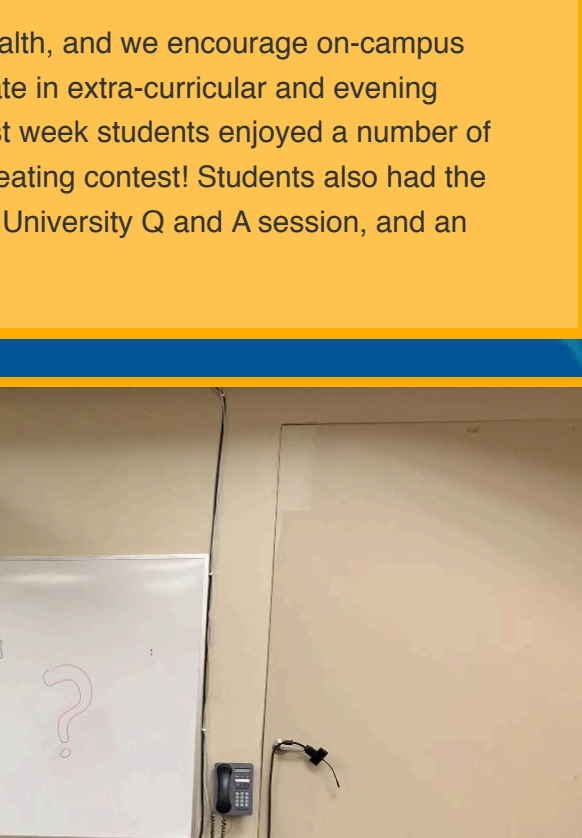

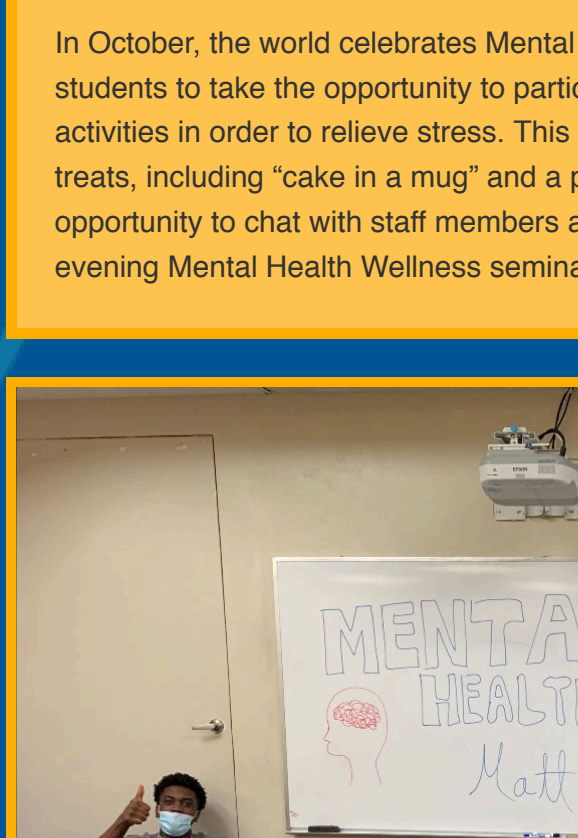

The last week of October has come! Cooler temperatures in the morning are normal for this time of the year. Autumn also continues to leave its beautiful mark with leaves changing colour all around us! A big welcome to the students who joined us on campus this past week! We hope you have settled in, and we remind you to reach out to staff through **TEAMS**, or call the **Front Desk** if you need any help.

## WHAT'S HAPPENING ON CAMPUS

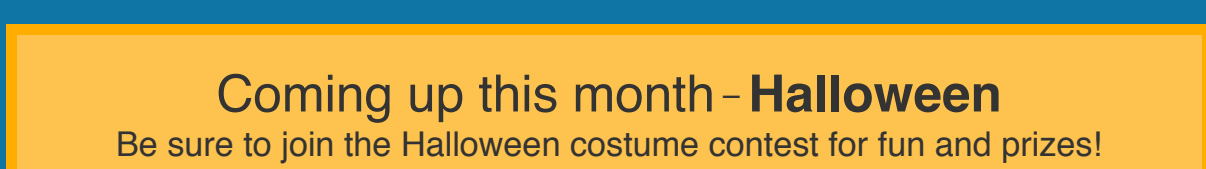

Students are busy in class as we near mid-terms, and a lot of activities are offered after school and evenings for students to have the opportunity to relax, have fun with friends and learn new skills. Students in Health and Nutrition classes made cupcakes with the additional challenge of adding a healthy topping that is both nutritious and delicious. Physical Education students ended their soccer unit with a fiercely fought tournament.

Students in the Science Club enjoyed a Treasure Hunt using maps, vectors, and compasses and the Art Club has experimented with watercolour painting and silhouette landscapes.

In October, the world celebrates Mental Health, and we encourage on-campus students to take the opportunity to participate in extra-curricular and evening activities in order to relieve stress. This past week students enjoyed a number of treats, including "cake in a mug" and a pie eating contest! Students also had the opportunity to chat with staff members at a University Q and A session, and an evening Mental Health Wellness seminar.
