

Dear Bronte Community,

Autumn and October blew in just a few, short weeks ago, but it has been very busy with daily activities, classes, interim report cards, the university fair, Food Committee, Student Athletic Council and so much more!

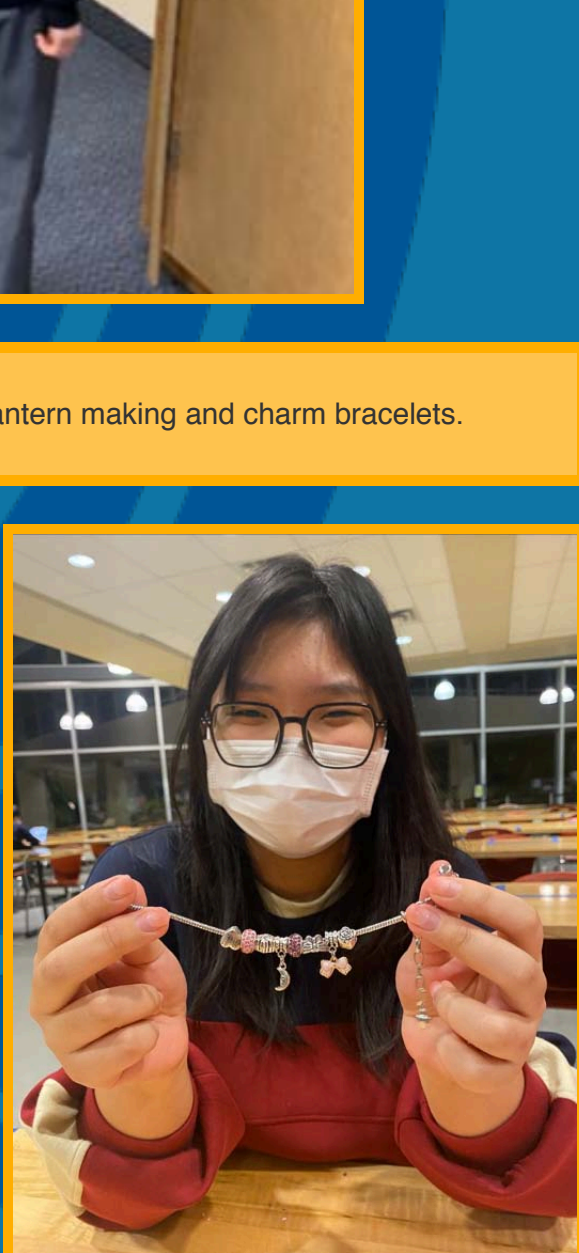

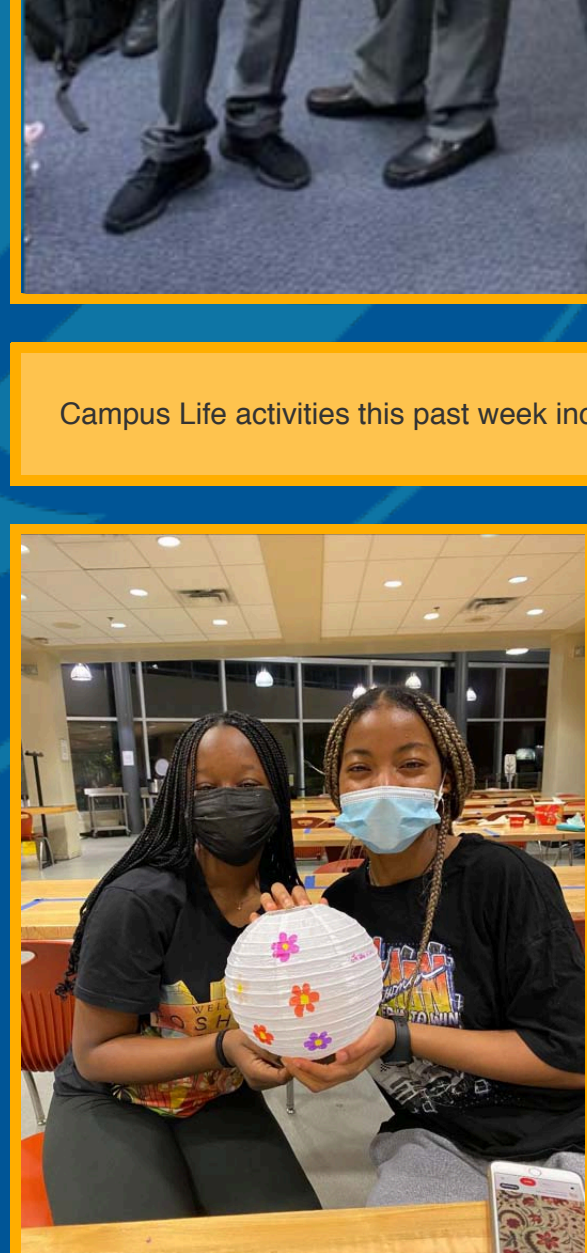

Now the month is coming to an end but with a BIG finish, with **Halloween** just days away! Some great things coming up include our Costume contest and "first ever" Halloween Dinner on October 31!

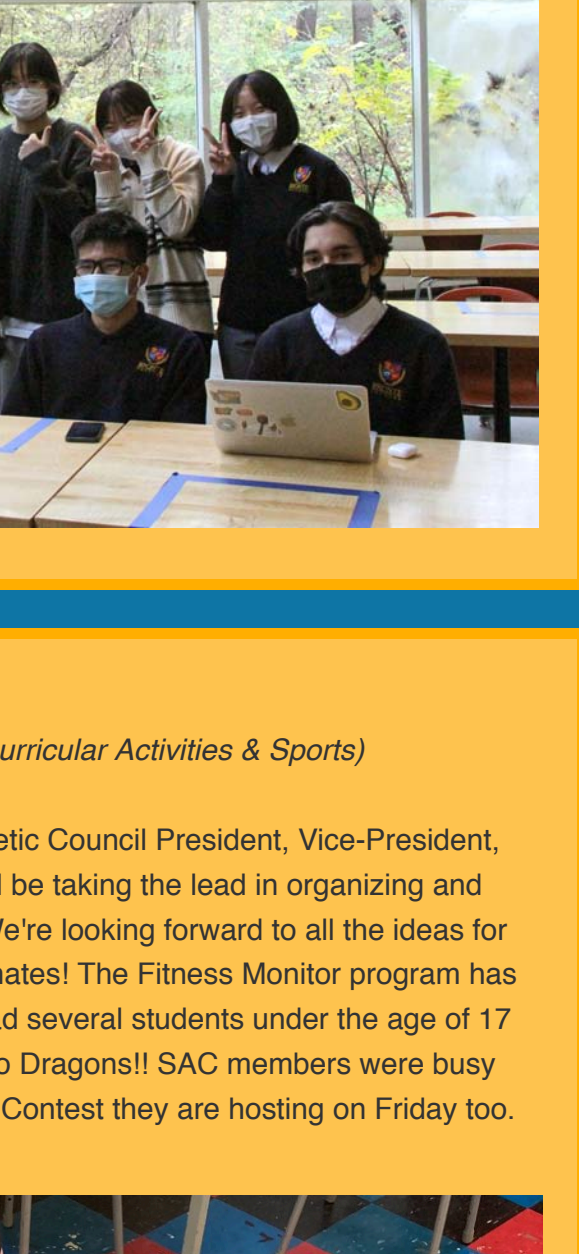

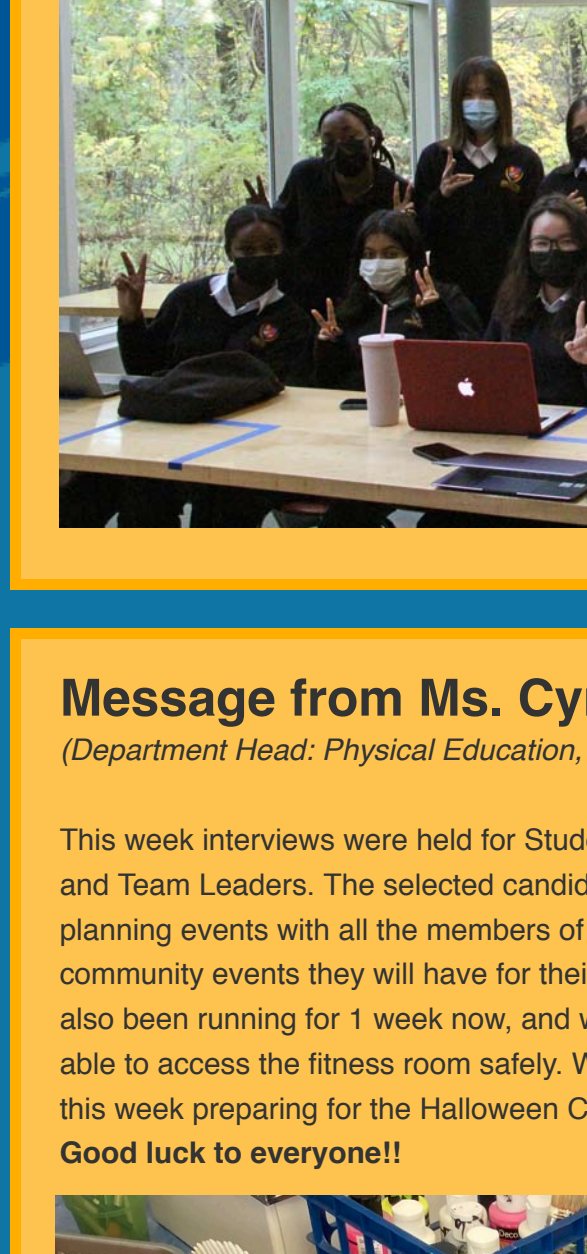

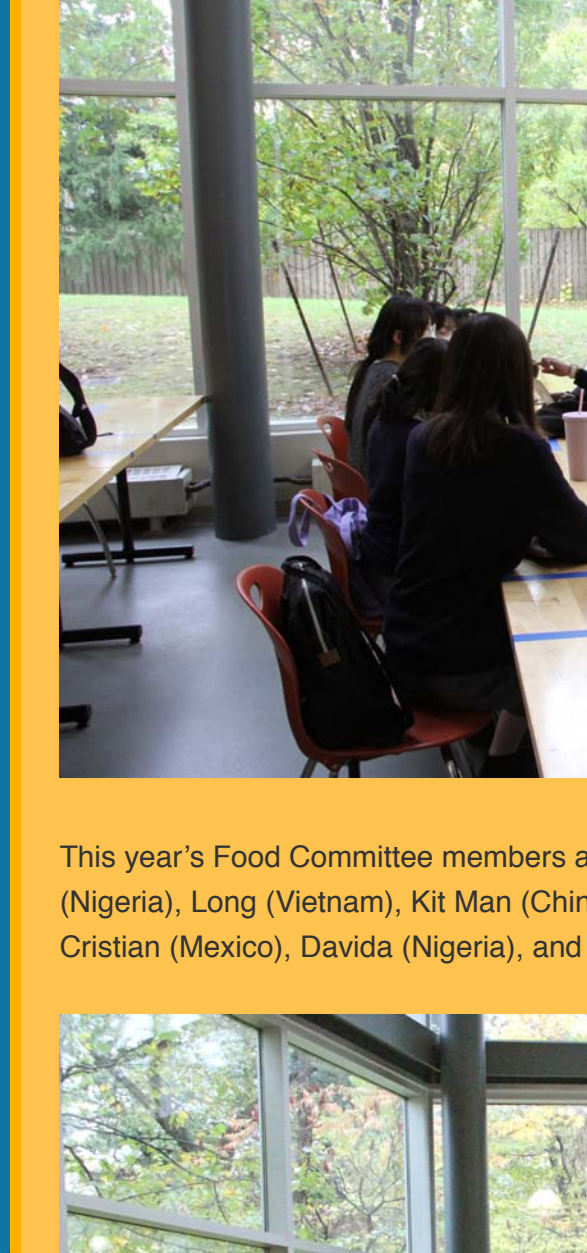

Please remember to keep up-to-date with us by following Bronte College on Facebook, Instagram, Weibo and VK! Happy Halloween and see you all in November!

## WHAT'S HAPPENING ON CAMPUS

This past week Ms. Mukherjee's Physics classes collected raw data in an "Energy Loss Lab". The lab looked at the loss in energy as a ball bounces from different heights. Students calculated the gravitational potential energy corresponding to start height and bounce height and determined the loss in energy through graphical analysis.

Campus Life activities this past week included lantern making and charm bracelets.

Students are looking forward to lots of great Halloween activities and treats this weekend, and the Food Committee is hard at work gathering input from fellow classmates and planning a celebration for the upcoming Diwali Festival. Diwali is a festival of lights and one of the major festivals celebrated by Hindus, Jains, Sikhs and some Buddhists.

This year's Food Committee members are: Eghogho (Nigeria), Shreya (India), Efe (Nigeria), Long (Vietnam), Kit Man (China), Yoma (Nigeria), Hoa (Hannah) (Vietnam), Cristian (Mexico), Davida (Nigeria), and Jane (India).

## Message from Ms. Cyr

(Department Head: Physical Education, Extra-Curricular Activities & Sports)

This week interviews were held for Student Athletic Council President, Vice-President, and Team Leaders. The selected candidates will be taking the lead in organizing and planning events with all the members of SAC. We're looking forward to all the ideas for community events they will have for their classmates! The Fitness Monitor program has also been running for 1 week now, and we've had several students under the age of 17 able to access the fitness room safely. Way to go Dragons!! SAC members were busy this week preparing for the Halloween Costume Contest they are hosting on Friday too. **Good luck to everyone!!**

## MEET OUR LIBRARIAN

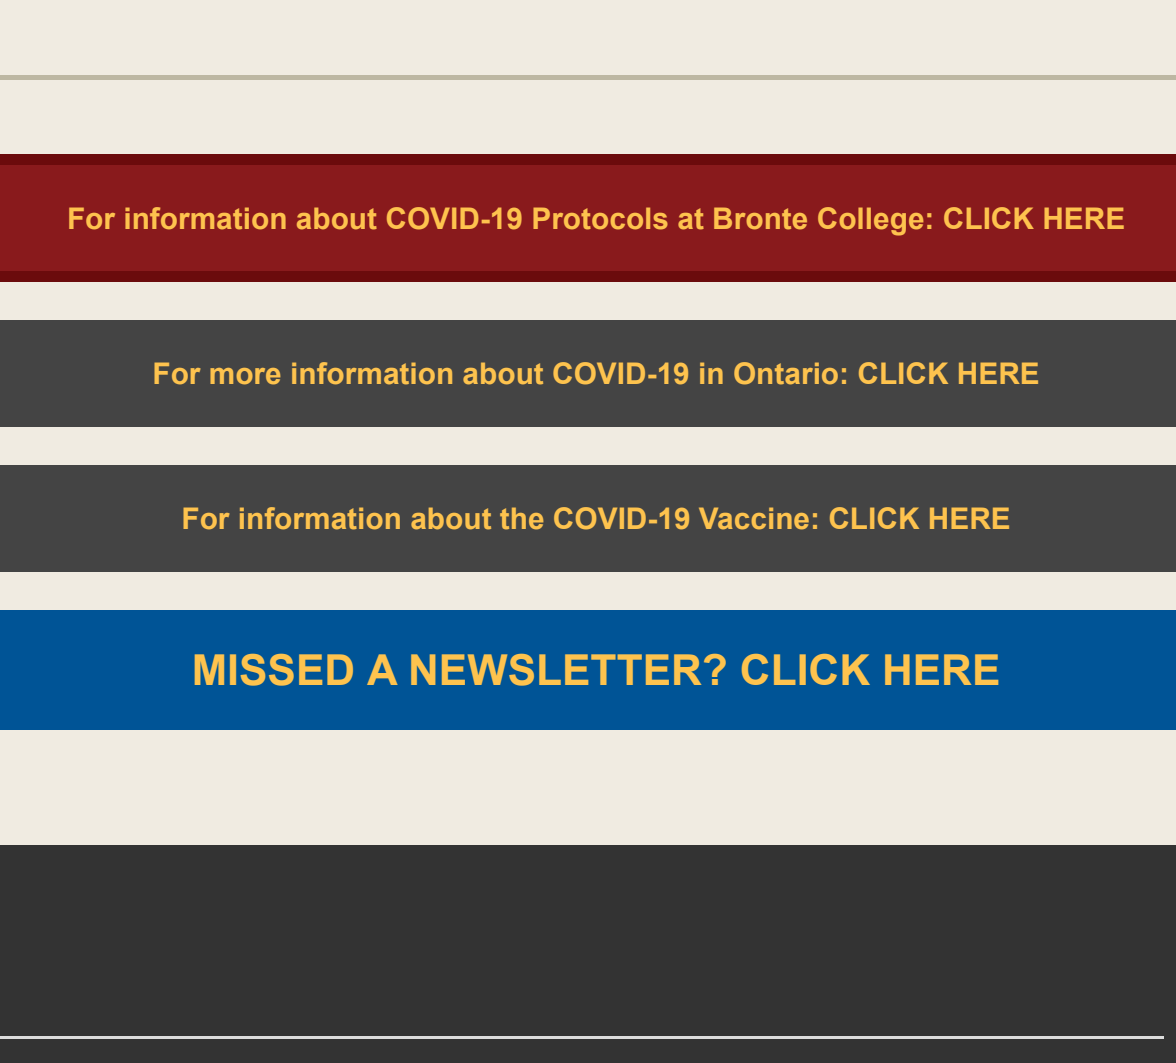

Ms. Fernandez has been part of the Bronte College team for years and has experience teaching English and Social Science. Currently, she helps our students develop literacy, critical thinking and research skills. She also helps our students learn about the importance of academic integrity. Ms. Fernandez feels that some of the most valuable skills secondary school students can learn are locating credible sources, effectively organizing research and developing writing skills.

A reminder the Library is open Monday-Friday during school hours: 8:00am-4:00pm and also afterschool, 7:00pm-9:00pm.

## GUIDANCE NEWS

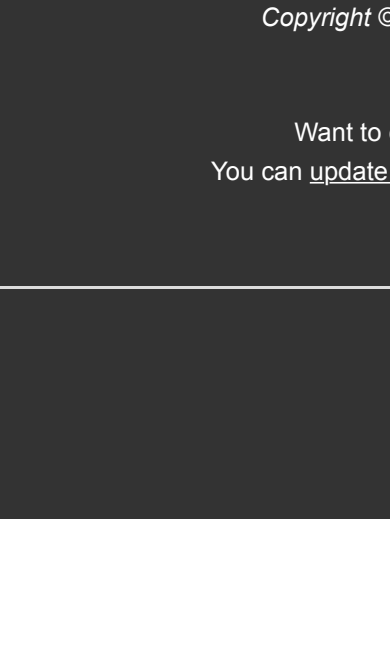

The online university fair continues with upcoming presentations including the Universities of Ottawa, Alberta and UBC in Canada, Queens University's International Campus in the UK, and IE University in Spain.

This week, Bronte student **Hoa** (Hannah) Class of '22 attended the Massachusetts College of Pharmacy and Health Sciences' (USA) presentation.

## MASSACHUSETTS COLLEGE of PHARMACY and HEALTH SCIENCES

GRADUATE AND PROFESSIONAL PROGRAMS

"These virtual university fairs are great opportunities for students to meet representatives from multiple universities not just inside Canada. I get answers to my questions about the university programs, the admissions process, scholarships and much more! It was interesting to learn there are different opportunities for studying the premedical track program. MCPSH offers direct entry to their pharmacy program and conditional admittance to their partner school, St. George, for medicine."
