## Dear Bronte Community,

**BRONTE BEAT - Volume 30 - Issue 9** 

October 8, 2021

This weekend we welcome the arrival of our October intake students as well as those who have joined us this past week. As students arrive, arrangements are made to complete

vaccinations once their quarantine (if applicable) is complete. Students are to be commended for their patience – it is a lengthy process to complete quarantine, both doses of vaccine and the mandatory two-week waiting period, but each day more and more students become eligible to go off-campus. Students may attend face-to-face classes two weeks after their first vaccine. A reminder to all, there are no classes Monday as we celebrate Canadian Thanksgiving. Please note there was an error in the email provided for uniform exchange last week.
