

Bronte College would like to wish our entire community a Happy Lunar New Year!

While we were looking forward to welcoming our current and new students back to in-person learning this week, due to the high number of COVID-19 cases in the Peel region, we have decided to extend our virtual learning for another two weeks with in-person learning to begin on the 14th of February 2022.

Orientation for new students is January 31.

Further information is provided in the welcome packages provided to new students at their arrival on campus.

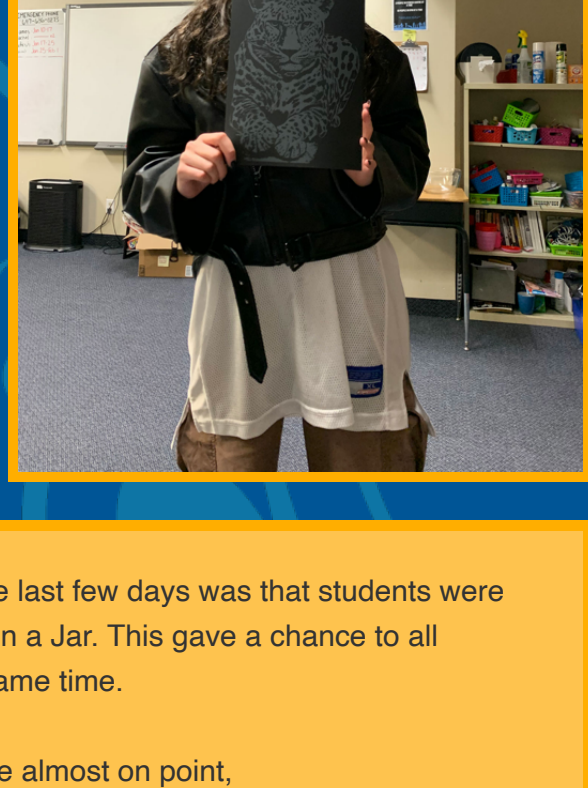

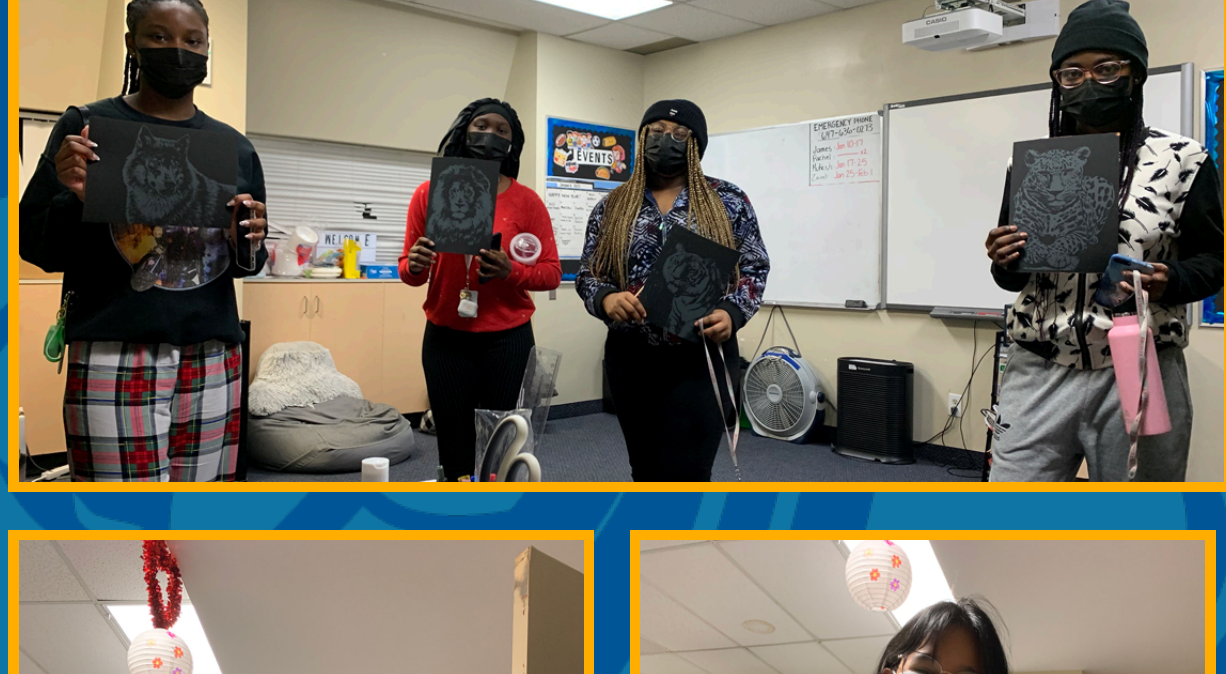

We would love to see those happy faces. New students are encouraged to take selfies with their baskets and tag us on our [Instagram](#) with the [#campuslife](#)

A basket full of Canadian goodies awaits to welcome our new students to Bronte!

WHAT'S HAPPENING ON CAMPUS

This past week, our campus life team helped our students explore their creative side by creating beautiful Mandala Diamond Crafts from scratch. It was bling all the way!

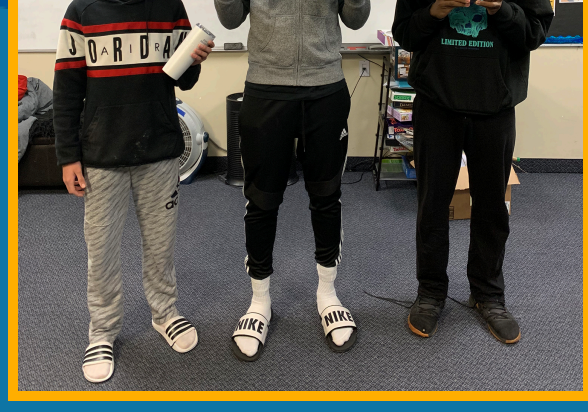

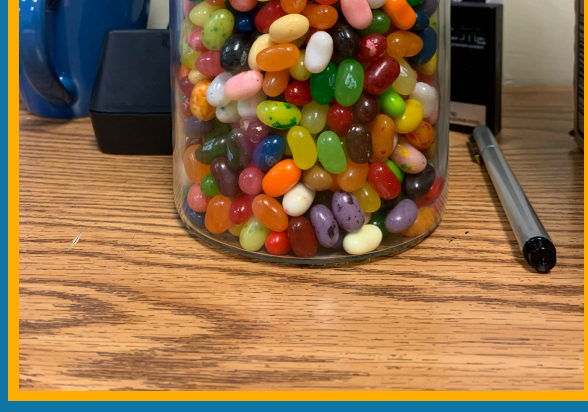

Another fun activity that took place over the last few days was that students were invited to guess the number of Jellybeans in a Jar. This gave a chance to all students to have fun and socialize at the same time.

Many guesses were almost on point, but the three closest ones belonged to our winners:

1st - Nathan

2nd - Zaki

3rd - David
