

Dear Bronte Community,

Students are hard at work completing culminating assignments. Classes will remain online until the end of the semester, but students are expected to return to in-class learning for the start of the second semester, **February 1, 2022**. It is not expected at this time that livestreaming of classes will continue, and all students should be back on campus prior to the second semester start date.

At Bronte we are proud of the diversity we have to offer, and that means having lots of opportunities to celebrate different festivals all year round. We would like to wish all those celebrating, a very happy Lohri. For those who do not know what it is; Lohri is a popular winter folk festival celebrated primarily in northern India. The significance and legends about the Lohri festival are many and these link the festival to the Punjab region. It is believed by many that the festival marks the passing of the winter solstice. Now, Canadian winters are a whole different topic.

WHAT'S HAPPENING ON CAMPUS

Our students enjoyed a scrumptious feast for the **Orthodox Christmas festivities** last week. The menu included Whole Roast Chicken, Lamb chops with balsamic reduction, Cabbage rolls, Tator tots, Butternut Squash Gratin and Vegetarian Loaf. If that does not sound mouth-watering enough, there was hot Apple Pie with Ice Cream for dessert.

Boarding students are enjoying on-campus activities including Zumba

ZUMBA

, and sports in the gymnasium.
