

Welcome New Students!

Our new students will be arriving on campus soon and we have a few reminders while you are packing! *Don't forget your adapter for your phone and laptop chargers!* Also, we have had some cold and snowy weather, so it's recommended you bring a warm winter jacket, gloves or mittens, a hat and boots or plan to purchase after arrival. Students will be receiving a SIM card but please note, there is WIFI throughout the building. Our students will have the opportunity to open a bank account with BMO (Bank of Montreal) towards the end of February.

WHAT'S HAPPENING ON CAMPUS

A basketball skills and drills practice took place on the weekend; the entire session was led by a student coach. **It was an evening full of tips, tricks and lots of fun.**

At Bronte we strive to help the students identify and express their hidden talents. Our **Paint Night** enables us to find those inner artists, while the students enjoy themselves with different colors and textures.

Congratulations to Kahono!

We would like to extend our heartiest **Congratulations to Kahono**, a member of our graduating class of 2022. Kahono has been accepted into Health Sciences programs by several of the top named universities in Canada, including Waterloo University, Western University, Guelph University, and York University. She has received numerous scholarship offers as well. Kahono was an active member of our school, and we will miss her!

We wish you much success Kahono!
