

This Tuesday was **International Women's Day**, a day that commemorates the social, political, and economic achievements of women in the past as well as the present. Our students celebrated International Women's Day by playing a game of Kahoot about renowned women figures and their accomplishments.

WHAT'S HAPPENING ON CAMPUS

With the ongoing Spring Break, our **Campus Life team** has been busy planning fun and exciting activities to keep our Boarding students happy and entertained. Students have enjoyed an Uno games night, a ramen noodles cooking session, crystal crafts and so much more. Everyone is looking forward to the upcoming off campus Bowling trip this weekend.

"I scream, you scream, we all scream for ICE CREAM"

Nothing like some cold and delicious ice cream to soothe that sweet tooth craving. Students got to enjoy an ice cream bar night where they could choose from various flavours of their choice including vanilla, chocolate & Neapolitan.

With the changing weather, one tends to forget about taking care of oneself, therefore the Campus Life staff organized a Self-Care Sunday, where students came down to the auditorium and discussed self-care tips and tricks with one another and put together their own self care packages!
