

May is around the corner and that hopefully means lots more sunshine and warmer days. We encourage our students to take a stroll outside in the evenings. With the province of Ontario lifting its restrictions we were finally able to have our morning assembly last week, the topic of discussion was student support for their physical and mental wellbeing as well as ways and techniques to deal with stressful situations. Of course, masks were still mandatory!

Bronte would also like to wish a *belated* **Happy Easter** to all our students and families who celebrated **Orthodox Easter** last weekend.

WHAT'S HAPPENING ON CAMPUS

This week as we celebrated **Earth Day**, our boarding students were given the chance to come down and choose a starter kit to grow their very own **Bonsai Tree**! All green thumbs were on board!

The Student Athletic Council also hosted an event; *Flavours of the World*, where students cooked delicacies from around the world from scratch. This included Jollof Rice from Western Africa, Mote con Huesillos from Chile, Mexican Chilaquiles Verdes, and warm Italian Bruschetta.

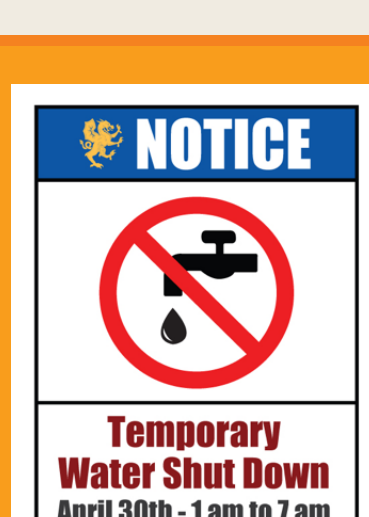

To relieve our students from their stress, we have designated Mondays to be our **Stress Awareness Day** and this week boarding students got to come down and collect a stress buster care package that included stress relieving fidgets and delicious treats.

IMPORTANT REMINDERS

Due to the ongoing renovations at the Trillium Hospital, Peel region has advised us of a **Temporary Water Shut Down on Saturday, the 30th of April from 1AM to 7AM**. Please refrain from using the washrooms and showers during this time.
