

With less than six weeks to the official beginning of Summer, the weather seems to have received the message and has bestowed us with warm temperatures and sunshine. We urge our students to take full advantage of it and enjoy some time outdoors in the fresh air.

WHAT'S HAPPENING ON CAMPUS

This week, our students took advantage of the sunny weather outside and created some gorgeous masterpieces using watercolors. *There was creativity flowing all around!*

What's better than beating the heat with a smooth smoothie (*Pun intended*). The Campus Life Team organized a **smoothie making** session for the students where they enjoyed making their own delicious smoothies. They had lots of flavours to choose from including *mango, strawberry, and mixed berry!*

As May is also known as "Mental Awareness Month", a **Talk Time** session was organized to encourage conversations among students to discuss feelings and ask questions. It was a *NO* judgement zone indeed!
