

May is known as the month of change and the weather seems to have transitioned to prove so. From warm sunny days last week to cold and rainy days this week, we've had them all!

Let the rain not pour on our parade as Canada celebrates **Victoria Day** on Monday the 23rd of May. Victoria Day signifies the informal beginning of summer and greenery.

A reminder to all our students that tonight is the international theme dinner night and the cuisine served is Italian. Bring on the pizza and pastas please!

WHAT'S HAPPENING ON CAMPUS

Our students got to experience a LIVE football game at the **BMO Field** in downtown Toronto. A day full of cheering and fun for sure!

Nothing beats the skills required to solve the classic **Rubik's cube**.

Our students made attempts to solve it, one side at a time. They got a mini prize for each completed side!

Anyone for a game of **Uno** while enjoying the gorgeous sunshine we had – *Yes please!*

Our students enjoyed the classic game while basking in the fresh air and getting their dose of vitamin D.
