

The month of June is here and it's almost time for us to say *goodbye* to our 2022 Graduates. This is indeed a bittersweet moment where although we are sad to see them go, we also wish them a successful future ahead.

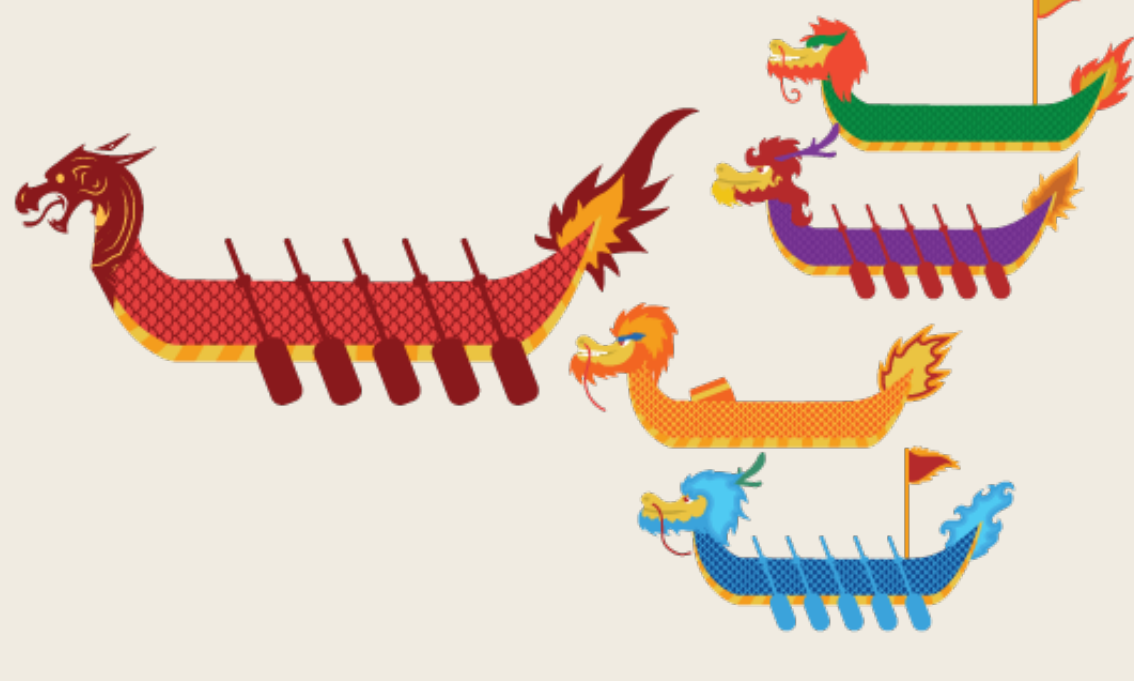

## EXCITING NEWS

We are super proud to announce that our school has **scored over 80% success** in Sir Isaac Newton Physics Exam 2022 conducted by University of Waterloo.

Bronte College Participants took place:

- within the top 200 contestants in the world, out of 1584 participants,
- within the 25th percentile in the world, out of 1584 participants,
- within the 90th percentile in Canada, out of 1022 participants.

This month also brings with it a grand celebration for our Chinese community members; **The Dragon Boat Festival**, a festival that commemorates the death of "Qu Yuan", a Chinese poet and minister known for his patriotism and contributions to classical poetry. He was eventually known as a National Hero.

## WHAT'S HAPPENING ON CAMPUS

To make the final off campus trip for our graduates extra special, the best was kept for the last. Our students were taken to **Canada's Wonderland last weekend**. The students had a day full of thrilling and adventurous rides.

For this week's **Taste Test Challenge**, different popcorn flavours were bought from a famous local store as KERNELS. There were flavours like Dilled Out with hints of pungent dill pickles, Double Hit with a double dose of butter, Thai Sweet Chili with a perfect mix of sweet and spice, and Say Cheese, a flavour packed with double cheese flavour.
