

The last two weeks of school are finally here, and although our students are busy with their culminating activities, we are all looking forward to celebrating the achievements of our graduates. Invitations have been sent out to our graduates and their families. **We look forward to you joining us!**

For further information about joining, please reach out to our Guidance Assistant; Mukesh Naidu on TEAMS.

## WHAT'S HAPPENING ON CAMPUS

In order to encourage students to get some fresh air and take a break from their studies, the Campus Life Team handed out popsicles at the main entrance. It gave the students a chance to leave their desks, enjoy the warm weather and take a much-needed break!

### Who doesn't like Milkshakes?

Our students tried their hand at making a simple milkshake recipe with a twist. It was a delicious treat indeed!

We are super proud to share the photo of our students who participated in the **Sir Isaac Newton Physics 2022 Contest** which was held by the **University of Waterloo**. Once again Congratulations. **You have made us Proud!**
