

Here in Mississauga, we are enjoying a hot, sunny summer and it's hard to believe that Orientation for the new school year is now only a few weeks away! We know our new students are excited and have many questions, so we would like to invite all incoming students and their families to a virtual orientation on **Wednesday, August 17th at 9 am EDT**. During this orientation session we will go through what to pack, what to bring to the airport, what you can expect upon arrival, and what activities will be covered during Orientation on campus. Further details and the link for the virtual orientation will be sent out shortly. Meanwhile, please review our Orientation Information Package linked below.

STAFF SPOTLIGHT

We would like to introduce you to our **Admissions Manager, Jackie Ahmad**

Jackie has worked at Bronte College for many years, beginning as a teacher before joining the Admissions Office. Many of our families first meet Jackie through school tours, email inquiries and education fairs. Jackie has had the opportunity to travel abroad representing Bronte College and she loves meeting the students and their families. On campus, she works closely with students during Orientation, and oversees the school yearbook club.

WHAT'S HAPPENING ON CAMPUS

SUMMER SCHOOL

Our session one summer school students are now more than halfway through their session, with culminating projects due by August 12th and our session two summer school students are nearly halfway through with culminating projects due by August 24th. The **ENG4U** class will be creating and designing their own Ted Talk to explore an issue from the course in more depth.

The **HHD30** class will be creating a campaign for self-awareness. They have explored the concept of self and how it affects their relationships with others and with society and laws. For a class activity they worked on understanding Maslow's hierarchy of needs, working together to decorate a classroom bulletin board as a way to practice their effective inter-communication skills.

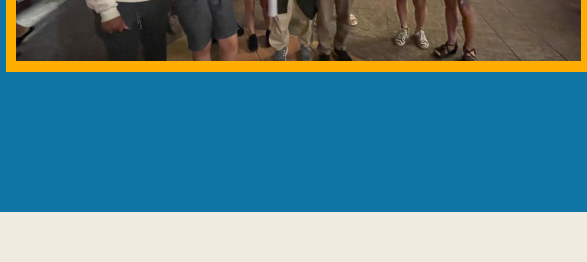

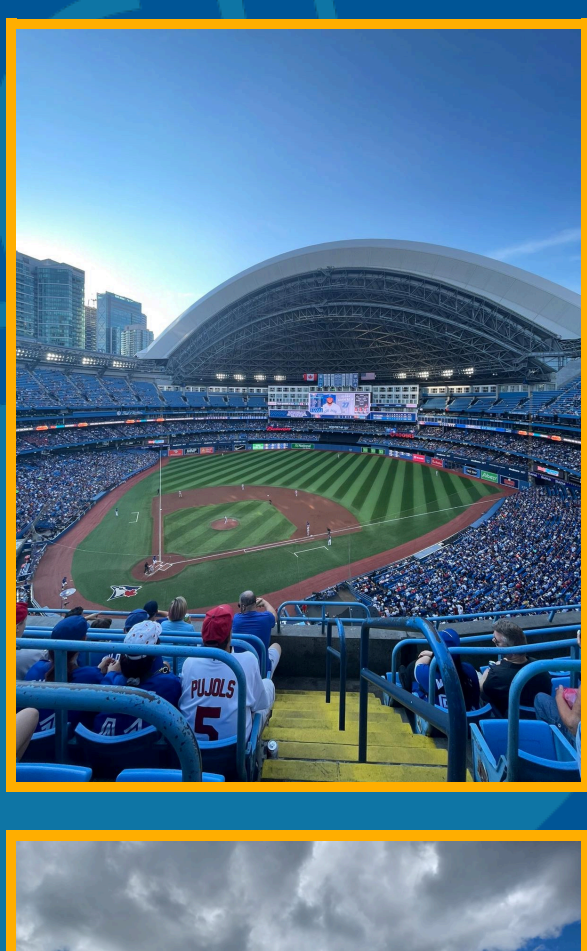

SUMMER CAMP

It has been a fun and busy summer with campers visiting **Niagara Falls, Canada's Wonderland, The CN Tower, Medieval Times, Blue Jays baseball games** and so much more!
