## WHAT'S HAPPENING ON CAMPUS

### ORIENTATION

As we welcome students, our staff will be hosting an in-person orientation week from the 29<sup>th</sup> of August to the 2<sup>nd</sup> of September, where our admissions team will be collecting and completing all required documentation and proficiency testing requirements. Students will also receive their student ID cards. Our uniform rooms will be open, and students will be guided for uniform fittings and alterations. Student Don guided neighbourhood tours will also be provided to ensure that our students are aware of all that is available around them. New students should check the white board in the front foyer for activity times. This year to maintain social distancing and a safe environment, parent tours will be available daily for the entire week at 1PM. Parents will not be able to enter the dormitories at this time.

A welcome Barbeque will also take place at 1PM on Thursday the 1<sup>st</sup> of September. This will be a great opportunity for students to meet and familiarize themselves with their teachers and peers. Day students are welcome!
