

August 22, 2022

Dear Parent(s)/Guardians:

On behalf of the academic staff at Bronte College, I would like to extend a warm welcome to our new and returning families to the 2022-2023 school year. Bronte College's school community is looking forward to offering students a wonderful year filled with exciting courses, extra-curricular activities, and community service opportunities.

It is with great pleasure that I write this letter to you as the newly appointed Head of School at Bronte College. I am delighted to be leading such a talented group of educators who are committed to supporting and encouraging each student's academic and personal growth.

As noted in the course calendar, all new students will be attending an orientation week from August 29th to assist in their transition to Bronte College. The week will include tours, the acquisition of uniforms, information sessions and guidance meetings. It will also be an opportunity for students to meet the staff and partake in a range of organized activities and events. Classes will commence on September 6th at 8:20am starting with homeroom.

In terms of student management and support, Dr. Gouda, our Head of Student Governance, will be overseeing student attendance and behaviour along with any concerns regarding residence. His office is located on the G level across from G 10. He is available to assist students and parents during school hours and can be reached at extension 2042.

Our Head of Guidance Ms. Juliette Eleveld, along with Counsellor Ms. Samantha McGinnis will be available daily to assist with timetables, course choice, and all preparations for post-secondary studies. The Guidance office is open from 8:00 am to 4:00 pm Monday through Friday. Additional appointments can be booked by contacting our Guidance coordinator Mr. Mukesh Karri at extension 2034.

Bronte College also offers student and parent support through our Department Heads. They are as follows:

Mr. Reagan Chou	Head of Mathematics
Ms. Arielle Reisch	Head of English
Mr. Kenneth Johnson	Head of Science
Ms. Samantha McGinnis	Head of English as a Second Language
Ms. Alyssa Cyr	Head of Health and Physical Education/Coordinator of Extra-Curricular Events

I am looking forward to partnering with you during your son's/daughter's academic career at Bronte College.

Thank you in advance for your support.

Regards,
Anne-Louise Power
Head of school
Bronte College
