

This week marks the official beginning of the Fall season. The sun seems to have been hiding more and shining less, with chilly gusts of wind making their way in the evenings. A reminder to all students that are heading out for a stroll after school, to carry a light jacket to keep them warm and well.

WHAT'S HAPPENING ON CAMPUS

We continue to welcome students to campus, as students receive visas and make their way to Canada. If you are a new student and do not have your uniform yet, please contact Jackson at jigiebor@brontecollege.ca and Anurag at ajakumar@brontecollege.ca. They will arrange to meet you after school for uniform sizing, returns or pick up. Please take your passport and study permit to Mukesh in the Guidance office to be photocopied.

Clubs and activities have started on campus – be sure to check out the schedule posted around the school, on the Teams Extra-Curricular page. Table tennis, running, the debate club, art club, and Chess are some of the choices. Clubs run after school each Monday to Thursday. Additionally, the Campus evening activities are underway – join them at 9pm each weekday night for sports, games or treats!

TERRY FOX RUN

Terry Fox was a Canadian athlete, humanitarian, and cancer research activist. After losing his leg to cancer at only 18 years of age, Terry set out to do the impossible: run across Canada, one marathon a day, in pursuit of his dream to find a cure for cancer. He called it the "Marathon of Hope".

Bronte College is a proud supporter of the Terry Fox Foundation, and our annual Terry Fox School Run was held on Wednesday this week. Below is a mural that were written by our teachers and staff members to showcase their unity and support for their friends and family who have been affected by cancer.
