

As we near the end of November and head into the holiday season, a gentle reminder to all our students who are going away for the winter break, please have all your flight booking and details sent to Campus Life staff and Dr.Gouda.

Also, please ensure that there is no leftover food in your rooms, all electrical items are disconnected, garbage is removed, room is cleaned, and the room door is closed and locked. For any questions or concerns, please reach out to Campus Life via TEAMS.

## INTERNATIONAL EDUCATION WEEK

International Education Week (IEW) is a week-long event held in the 3rd week of November that highlights the importance of a globally oriented learning experience. Bronte College would like to take this opportunity to convey a huge thank you to all our international students! You are an important part of Bronte College and make us proud every day.

*Join us in celebrating diversity and global education this Friday in the cafeteria with a special cake to celebrate!*

## WHAT'S HAPPENING ON CAMPUS

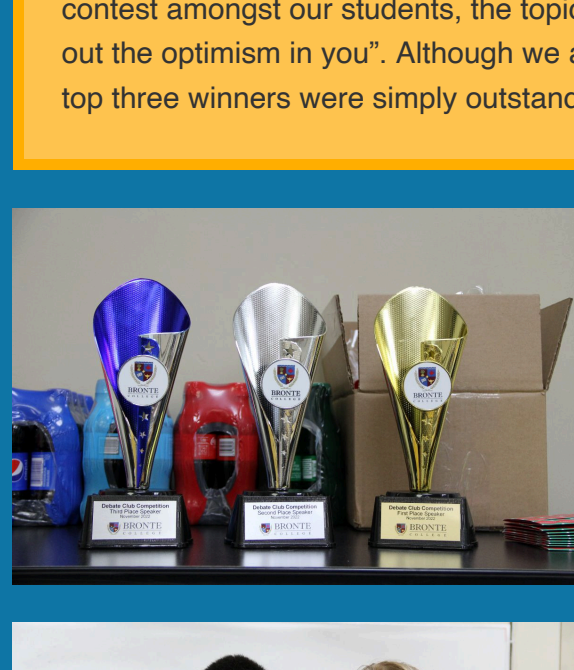

With the weather getting cooler, our Campus Life Team organised a trip to an indoor bowling alley for our students. It was a great evening filled with challenging each other's scores, eating delicious food, and socialising with friends.

Nothing feels better than a bowl of piping hot noodles on a cold night. Our students were asked to put their taste buds to the test with the Spicy Noodles challenge. Our Campus Life staff prepared spicy noodles for the students to enjoy and warm up with!

With our school clubs in full swing, our Debate Club hosted a competitive debate contest amongst our students, the topic was "Who is an everyday hero that brings out the optimism in you". Although we are very proud of all our 12 contestants, our top three winners were simply outstanding.
