

As we head further into the month of November, fall colours begin to disappear and the barren trees get ready to hibernate for the winter. The weather seems to have been fluctuating between warm sunny days to cold and breezy days. All students are reminded to dress warmly when they head outside.

REMEMBRANCE DAY

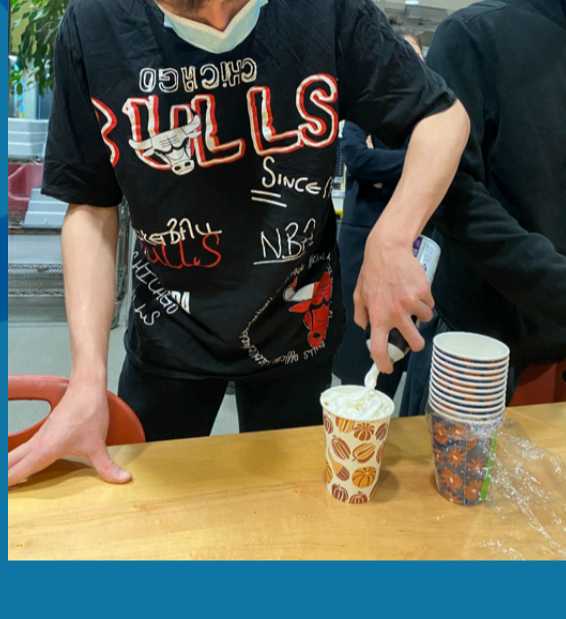

Every year on November 11, Canadians pause in a moment of silence to honour and remember the men and women who have served, and continue to serve Canada during times of war, conflict, and peace. Many Canadians will wear a red poppy as a symbol of remembering those who lost their lives in the line of duty as well as the hope for a peaceful future.

WHAT'S HAPPENING ON CAMPUS

Our boarding students had the opportunity to visit a one-of-a-kind experience called an *Escape Room*. This is a themed game where a group gathers to solve a set of clues to escape the room they are locked in. Our students successfully worked together and managed to escape within the given time frame. Yay!

With the temperatures dipping down and the evenings getting cooler, our Campus Life Team tried to keep up the warm vibes by making hot chocolate drinks with different toppings including marshmallows and whipped cream. *Sweetness overload indeed!*

ADVANCED PLACEMENT

Each spring, Bronte College students are offered the opportunity to demonstrate their knowledge and skills on subject-specific Advanced Placement examinations. Successful completion of these exams can result in university credit, advanced standing, or both depending on the university a student chooses to attend. There are many AP subjects to choose from; AP exams offer something for everyone. The only requirements are a strong curiosity about the subject they intend to study and a willingness to study hard.

For further information, and to register, please contact our AP Coordinator, Dr. Gouda (ngouda@brontecollege.ca). Registration begins November 24th.
