

With a week already gone by in the month of December, the holiday spirit is in full swing at Bronte College. A gentle reminder that although many of our students will be heading home for the holidays, the Bronte College campus remains open all year round. For students staying back for the break, there will be festive activities and outdoor trips organized, including visits to Christmas Markets and Niagara Falls. There will also be a grand dinner feast to celebrate the spirit of holidays, Christmas, and the New Year!

WHAT'S HAPPENING ON CAMPUS

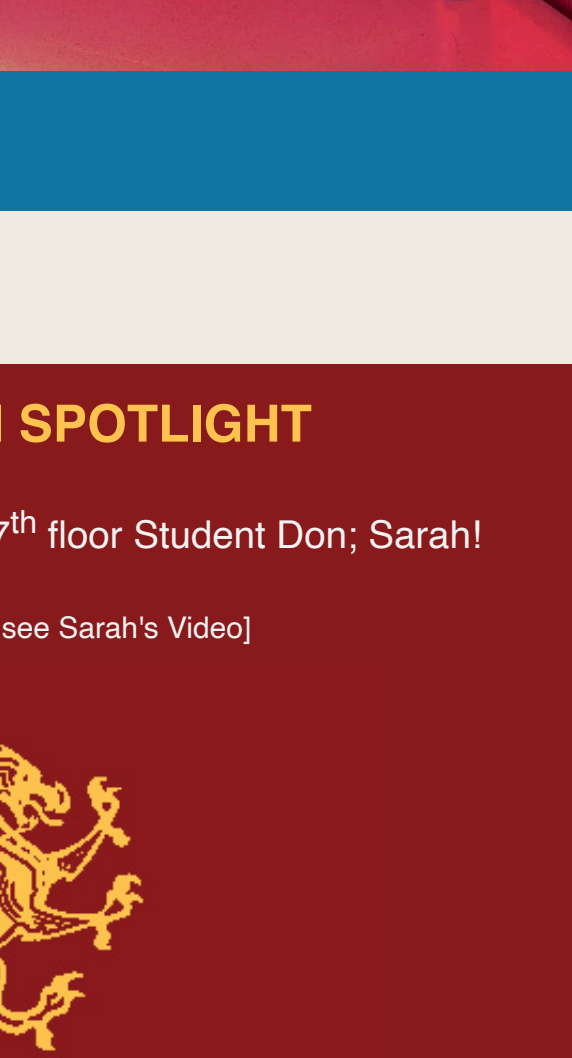

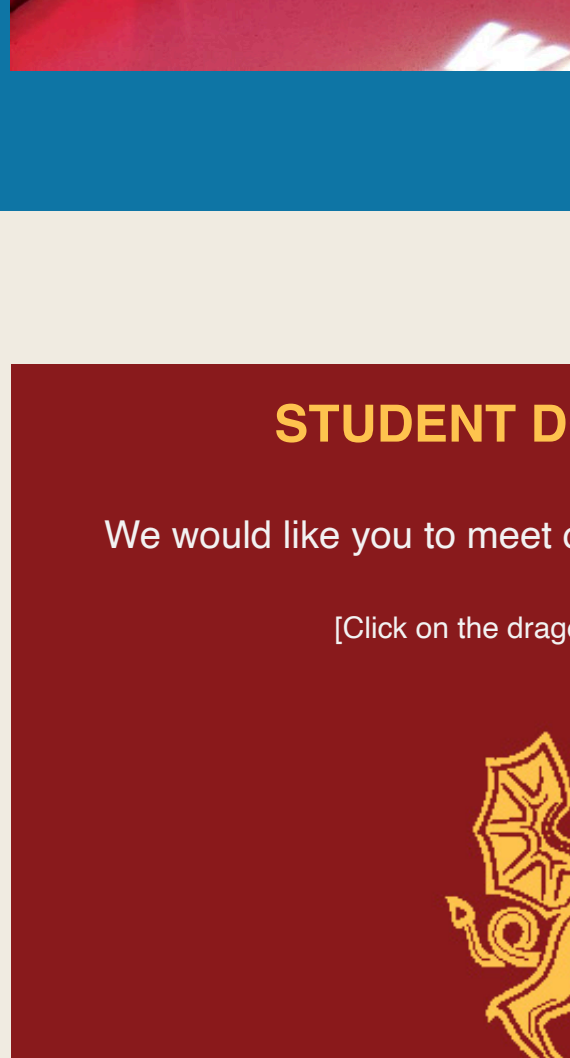

Our students took a trip to **Canada's Winterfest**, where they had the chance to enjoy the rides, take gorgeous pictures, and enjoy the stunning light show. It was a night full of Christmas and Holiday vibes!

In preparation of gifting season, our Campus Life Staff helped our students create greeting cards for their families, loved ones and teachers.

At Bronte College, we encourage experiential learning, and our students experienced that on an educational trip to the **Ontario Science Centre**, where they conducted a lab inserting DNA from bioluminescent jellyfish into *E. coli* on petri dishes.
