

The month of February has brought along with it some cooler and windy days. A gentle reminder to all our students to bundle up and keep warm when heading off campus.

## WHAT'S HAPPENING ON CAMPUS

At Bronte College, we highly encourage our students to take initiative and plan fun and engaging activities for their peers. As a result, an **UNO challenge** was organized and hosted by some of our students who in turn were able to earn community hours. The event was full of healthy competition, lots of laughter and a chance to win awesome prizes.

## SOCCER TRYOUTS

Boys and girls are invited to try out for the team – visit [Teams](#) for more information.

**Go Dragons!**

What's a better way to celebrate **International Croissant Day** than to enjoy warm, butter loaded flaky croissants? *Delicieux!* (French for delicious)

Our students took part in a competitive **chess tournament** using calculated and tactical movements to beat their opponents. A simple game to improve their cognitive skills.

## VALENTINE'S DAY

A special dinner to celebrate the day of love, (AKA Valentine's Day) is being organized by our food committee on Tuesday the 14<sup>th</sup> of February.
