

April 20, 2023

After a week of gorgeous spring-like weather, we are back to cold gusts of wind and freezing rain. A gentle reminder to all our students to dress warmly when they are off campus.

This week marks the festival of **Eid-ul-Fitr**, a religious holiday celebrated by Muslims worldwide as it marks the end of the month-long dawn-to-sunset fasting of Ramadan. Bronte College would like to wish a *Happy Eid* to all those in our community who celebrate! We hope this special day brings peace, happiness, and prosperity.

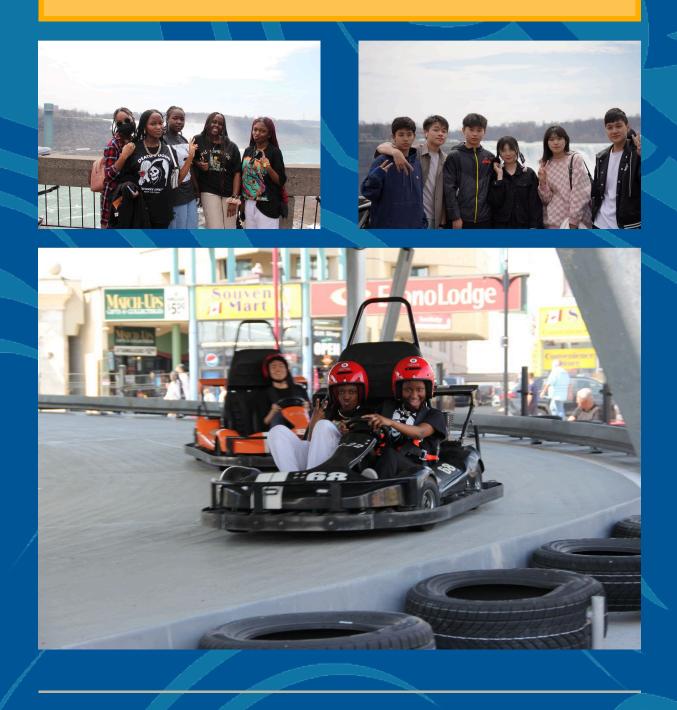

WHAT'S HAPPENING ON CAMPUS

Our students took part in a **Worm Bobbing challenge**, where real looking gummy worms are dunked in whipped cream and must be pulled out without the use of hands! Super messy but super fun indeed!

This week, our Campus Life Team arranged a trip for all our boarding students to the majestic **Niagara Falls** and **Clifton Hill**. They enjoyed the day with breathtaking views of nature and entertaining activities like speed car racing at the Niagara Speedway.

The inner chefs in our students were unleashed with a fun and educational cooking class, where they were taught how to prepare delicious nachos from scratch. They had many options including cheese, sour cream, and guacamole to choose from. Each student had a chance to slice their own onions, prepare their own meat and garnishing. *Delicioso!*

IMPORTANT ANNOUNCEMENT

Peel Public Health had their first visit to our campus this week, where they offered routine immunizations for students. The vaccines offered were Human Papillomavirus (HPV), Hepatitis B (Hep B) and Meningococcal ACYW-135.

They are scheduled for their second visit on the **28th of April**, **2023**. A reminder that these vaccines help protect against serious diseases and some are mandatory for school attendance.

For any questions or concerns, please contact the school nurse at **gdudhral@brontecollege.ca**.
