

As the month of May is around the corner, we hope that this means warmer weather and sunshine will be here soon too. We highly encourage our students to go out for a stroll in the evenings for some fresh air!

### IMPORTANT ANNOUNCEMENT

Peel Public Health will be on campus this week for their second visit, where they will offer routine immunizations for students. The vaccines offered include Human Papillomavirus (HPV), Hepatitis B (Hep B) and Meningococcal ACYW-135. A reminder that these vaccines help protect against serious diseases and some are mandatory for school attendance.

For any questions or concerns, please contact the school nurse at [gdudhral@brontecollege.ca](mailto:gdudhral@brontecollege.ca).

### WHAT'S HAPPENING ON CAMPUS

With the beginning of soccer and jersey season, our Student Athletic Council organized a school spirit day to recognize and encourage our student athletes. All students were asked to don their favourite jersey or sporting outfits!

Our Campus Life team challenged our students to a **Donut Loop** game, where donuts were tied to the end of a string and each student tried to be the first person to eat the entire dangling donut. The fun part was, that they had to do all that while keeping their hands placed behind their backs.

It's almost barbecue season and we can't wait! Our students took part in a cooking event called "**smash burgers**" where they used mince (beef/chicken), smashed it flat, cooked and created their own versions of burgers with condiments including onions, tomatoes and sauces.

### GUIDANCE

A reminder to grade 12 students, if you have received a university/college offer and it is where you would like to go, please accept it and start applying for residence immediately. Do not wait until the final deadline, as spots can fill up fast. For any questions or concerns please contact guidance through TEAMS.
