

While we all enjoyed a long weekend break for Easter, our Campus Life Staff kept busy making sure that all our boarding students were entertained while they celebrated this holiday away from home. A delicious Easter dinner was arranged for our students. The menu included meatloaf, ham, potatoes gratin, green pea salad, and Easter bread.

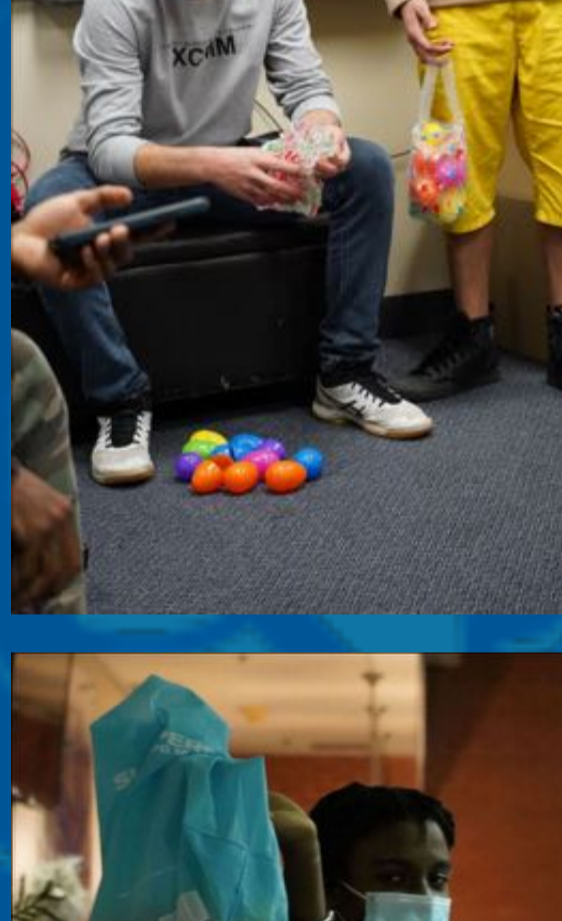

MCMASTER UNIVERSITY

Due to keen interest, our Campus Life Team organised an on-campus tour for McMaster University in Hamilton. Our students were able to visit all the different school facilities including the dormitories, the research centre and so much more. In addition to learning about the campus itself, the students also had the opportunity to ask many questions and get a glimpse of what student life on campus would be like!

WHAT'S HAPPENING ON CAMPUS

To celebrate Easter weekend, our Campus Life Team arranged a fun and engaging **Easter Egg Hunt**, where the student who found the most hidden eggs won a grand prize!

This week's highlight was a trip to the iconic **CN Tower** in downtown Toronto. The CN Tower is the tallest tower in North America. Our students thoroughly enjoyed the beautiful panoramic views of the entire city from the viewing tower!
