

Greetings, May! Although we are excited about the arrival of summer, it's bittersweet knowing that the school year is coming to an end in less than 8 weeks. While we are super excited for the class of 2023, it is always sad to say goodbye!

## RENOVATION UPDATES

We're thrilled to announce that the renovation of the dormitories on floors 1-4 is nearing completion! Furniture and lighting are currently being installed, and new rooms will be ready for occupancy very soon. This past week, we experienced some water leaks, and we apologize for any inconvenience this may have caused our students and staff. The safety and well-being of our students are our top priority, and we want to ensure that the dormitories and classrooms are a safe and comfortable environment for our students. Upon inspection, it was discovered some classroom ceiling tiles on the ground floor were wet; these have been replaced and we have been assured that there is no health concern. We'd like to express our sincere gratitude to the students, staff, and Bronte families for their patience and support throughout the process.

## WHAT'S HAPPENING ON CAMPUS

Our students enjoyed being spectators at a **Toronto Blue Jays** baseball game held at the Rogers Centre. They even had the chance to be photographed with local Police Officers, which was a very memorable experience for many of them.

The Student Athletic Council organized a spirit day in honour of **Earth Day**. During the event, students wore colours like green, blue, brown, and pink as a symbol of their commitment to preserving and protecting the environment and nature.

A local walkathon was also held to raise funds for Earth Day. All proceeds collected were donated to an environmental protection charity based in Mississauga.
