

As the school year draws to a close and our students are busy with their culminating activities, we can't wait to celebrate the accomplishments of our graduating class. Invitations to the graduation ceremony have already been sent to all our graduates and their families. We look forward to everyone joining us.

Our 'Great Gatsby' themed Prom took place last weekend, where students had the chance to dress up in formal attire, dance and celebrate the end of another great school year. It was a night full of fun, food, and friends!

## WHAT'S HAPPENING ON CAMPUS

Our students participated in a therapeutic **Flower Preservation** activity. They learned how to carefully remove the petals from the stem, dry them with heat, and press them into frames. This was a creative memento for them to take home to their loved ones this summer.

To continue the celebration of **Pride Month** in Canada, our students had the opportunity to earn extra community hours by showcasing profiles of influential people from the LGBTQ2S+ community.

**Michel Marc Bouchard**

Bouchard's plays, such as "Lilies" and "Tom at the Farm," have received critical acclaim and international recognition.

Our Campus Life Team treated our students to a special dessert - a classic French delicacy called **Crème Brûlée**. It's made with a sugary base and topped with a decadent custard filling.
