

BRONTE

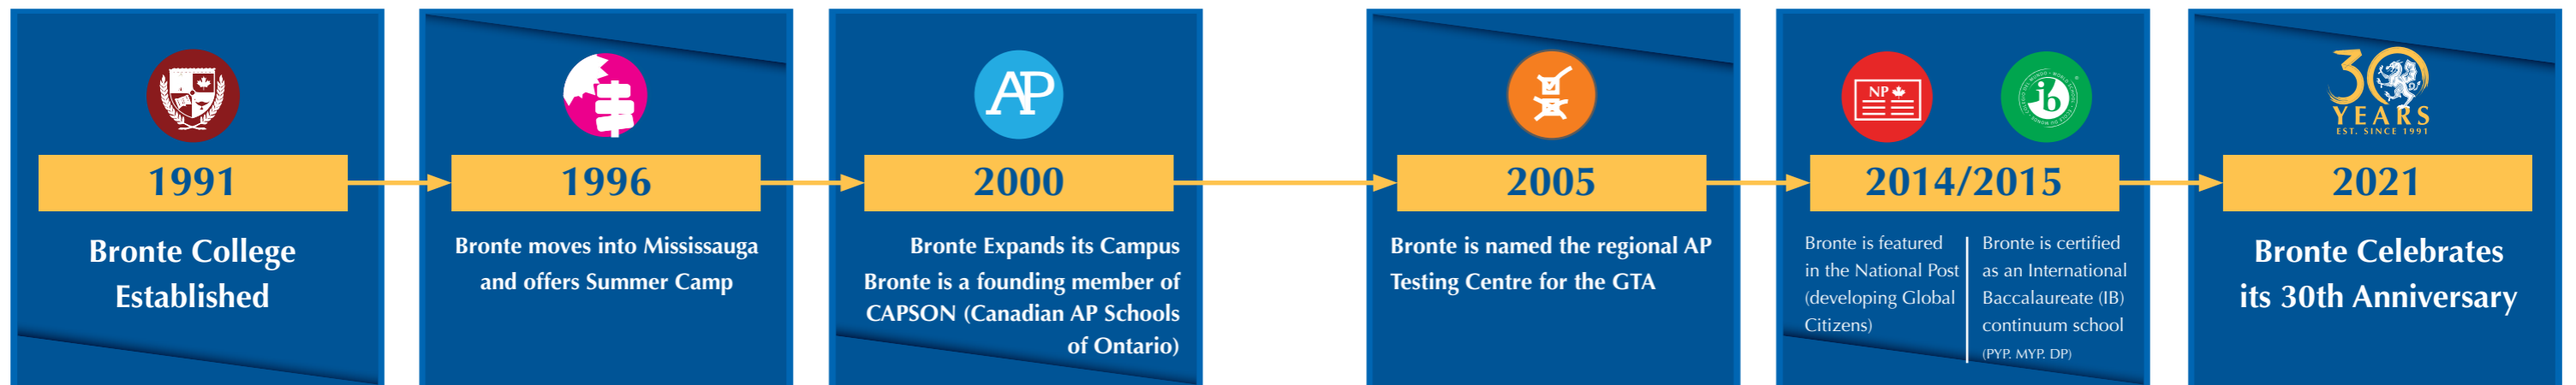

COLLEGE

PRIVATE | INTERNATIONAL | BOARDING

WHO WE ARE

Bronte College is a private International Baccalaureate (IB) World School offering Grades 9 to 12 for day and boarding students. Our academic programming has attracted international students from almost every continent worldwide, and we are proud that students from over 30 countries call us home. Committed to providing a learning environment that emphasizes academic excellence and individual growth, we strive to cultivate open-mindedness, inclusivity and respect within the Bronte community. Focused in on international student support and university preparation, students engage in a variety of extra-curricular trips and activities, varsity sports and the Advanced Placement (AP) Program. Our campus is located in the heart of Mississauga; diverse, urban, and consistently ranked one of the safest cities in Canada. Minutes away from Mississauga's vibrant city centre, the picturesque neighbourhood of Port Credit, and a short drive to downtown Toronto, a world of sights and attractions are just beyond our doors.

Our Mission

Bronte College aims to develop internationally-minded, lifelong learners who have the knowledge and courage to make a positive difference in the world.

Our Faculty

Our exceptional teachers are dedicated to helping students achieve their personal best and get the most out of their education. Our teachers hold certification from the Ontario College of Teachers or teacher certification from world renowned teacher training programs. Bronte College teachers continuously take additional qualification courses with a variety of high-profile universities within the GTA. Passionate about challenging students to strive for excellence, our teachers provide support beyond academics, and into co-curricular activities that develop leadership, confidence and respect.

“Let curiosity spark your love of learning, perseverance strengthen your integrity and character, and kindness guide your heart.”

ANNE-LOUISE POWER
Head of School

ACADEMICS

Bronte College strives to create exciting academic programs that will assist students in their endeavour to access top schools around the world.

Pathways to Post-Secondary Education

GRADE	9	8 credits
GRADE	10	8 credits
GRADE	11	8 credits
GRADE	12	6 credits
University/Transfer Credits*		

*Students enrolled in the IB DP take 6 credits in grade 11 and 11 credits in grade 12. Students enrolled in the IB DP or AP program may be granted transfer credits at the university level upon successful completion of their IB courses/exams, or AP exams.

Bronte College follows the Ontario Curriculum and also offers additional enrichment programs including the International Baccalaureate (IB) Diploma Programme and Advanced Placement.

As an International Baccalaureate (IB) World School, Bronte College encourages a collaborative learning environment that focuses on inquiry-based learning rather than fact memorization in all our classes. By satisfying the requirements of the Ontario Ministry of Education Curriculum guidelines, all Bronte students will graduate with an Ontario Secondary School Diploma (OSSD) and have the option of pursuing the IB Diploma Programme (DP) in Grades 11 to 12 or Advanced Placement (AP) in Grade 12. Students enrolled in these enriched programs may be granted university transfer credits upon successful completion of Grade 12 courses.

Programs

IB Diploma Programme (DP)

Recognized for its excellence by universities worldwide, the DP prepares students in Grades 11-12 for success in post-secondary education and beyond. Enabling the intellectual, social, emotional and physical development of students, the DP gives students the opportunity to study from six subject groups: Language and Literature, Second Language Acquisition, Individuals and Societies, Experimental Sciences, Mathematics and Computer Science, and the Arts. The curriculum requires students to study at least two languages in order to expand their understanding of different cultures. In addition to interdisciplinary study, the DP challenges students to apply the knowledge and skills gained by the programme through three core elements:

- 1) The Extended Essay
- 2) Theory of Knowledge
- 3) CAS (Creativity, Action and Service)

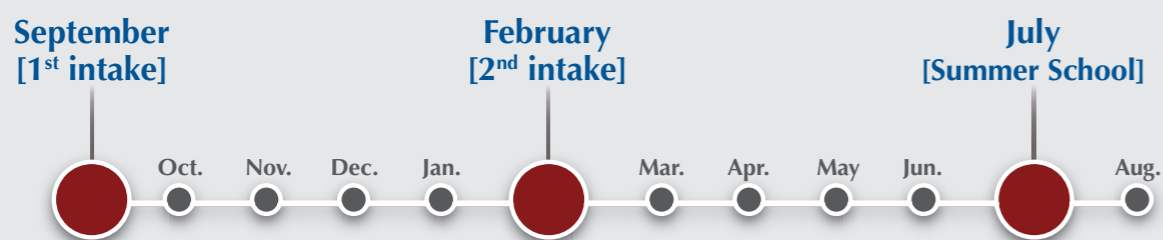

Advanced Placement (AP)

The AP Program gives students the opportunity to take university-level exams while attending high school. Admissions officers at colleges and universities recognize the level of difficulty of AP exams, understanding that applicants with AP experience are better prepared for post-secondary studies. Bronte College offers AP exams based on paper and pen (no electronic devices).

Our students conveniently write their AP exams on campus, as Bronte College is the regional AP Testing Centre. On request, the College Board can forward student exam results to the universities of their choice.

Successful results on AP exams enable students to have first-year university transfer credits, advanced placement or both. By earning university transfer credits or advanced placement, students can save both time and money in university.

Semester Intakes

Bronte College has three semester intakes in September, February and July (summer school). The fall semester starts in September and ends in January, whereas the winter semester begins in February and ends in June. If students are interested in continuing their studies in summer school, it starts in July and goes until August.

English Support

To assist international students' transition from an ESL environment to a full academic program, students will be placed in our standard ESL program according to their pre-assessed level, in conjunction with other credit courses. Intermediate/advanced students will have the opportunity to improve their proficiency while working toward the completion of their Ontario Secondary School Diploma, while beginners will benefit from the additional opportunity to practice their English skills.

Express Program (Grade 12)

The Express Program is a specialized program where students earn up to six (6) Grade 12 pre-university credits from December to June. Designed for students who are highly motivated and capable of achieving excellent results in a compressed time period, students have the opportunity of entering university in September of the same year.

Grade 12

Meet FEIFAN

Feifan aspires to be a cosmetics developer one day. Since her arrival to Bronte from China in 2021, Feifan has worked very hard and shown a keen interest in the science subjects. She has been involved in many after school clubs and campus life activities. She even earned an entrance scholarship at the University of Alberta.

How long have you been studying at Bronte College and what has made your time here special?

I've been studying at Bronte College since 2021. The abundance of clubs and campus life activities here have brought a lot of energy and fun to my life. I joined the experience in science club, and I managed to work successfully with two teammates to build a "stability bridge" that broke the conventional bridge shape in the textbook. From the science club experience, I learned how to apply theoretical knowledge to real life skillfully.

Where did you gain acceptance to university and which programs? Were you granted any scholarships?

I applied to seven universities worldwide. I received offers from the University of Alberta, York University, University of Manitoba, and the Ontario Tech University. I received and accepted an \$18000 scholarship for the business program at the University of Alberta.

What are your future goals?

My dream is to become a product developer, which means I need to acquire more knowledge and skills related to chemistry and biology. This is what has always motivated me to work hard. I see myself working with companies like Lancôme in the next 5 years.

Which teacher or guidance counsellor influenced your time at Bronte the most?

The guidance counselor, Ms.Xiang, has had the most significant impact on my studies at Bronte College. She kept guiding me with patience and always gave me detailed advice on my visa and university applications. It was an honor to meet her at Bronte College.

WHAT DO I NEED TO GRADUATE?

Ontario Secondary School Diploma (OSSD)

Students who successfully complete high school are awarded the Ontario Secondary School Diploma (OSSD) from the Ontario Ministry of Education. Students who have taken secondary school courses in another country will be offered equivalent credits based on the successful completion of those courses.

Become familiar with the requirements students must fulfill in order to graduate with an OSSD.

LEARNING ENVIRONMENT

Bronte fosters an environment of open-mindedness, inclusivity and intercultural respect. Our highly qualified teachers and counsellors encourage the development of students to their fullest potential.

We provide support in determining students' academic goals and future plans.

30 Credits

18 Compulsory Credits

- Examples of compulsory subject matter include English, Math, Science, History, Geography, Arts, Physical Education, Civics, Career Studies, Second Language

12 Optional Credits

- Students select these elective courses of various subject matter from our course calendar

OSSLT

The Ontario Secondary School Literacy Test (OSSLT)

- Created and assessed by the EQAO (Education Quality and Accountability Office)
- Evaluates language skills based on the Ontario Curriculum's expectations at the Grade 9 level in the formal OSSLT test
- Bronte College holds a Mock Literacy test prior to the OSSLT
- Students who do not pass the Mock Literacy Test will receive help to prepare for testing

40 Hours

Community Service

- Students must complete 40* hours of community service
- May be completed at any time during their high school years
- Service may take place in businesses provided it does not replace a paying job, non-profits, public sector institutions and informal settings

**based on year of entry: grade 9/10 – 40 hours, grade 11 – 20 hours, grade 12 – 10 hours*

Attentive Creative DETERMINED

Read more about Jessyca's experiences living and studying abroad.

Photo taken by Yuheng

Jessyca

Country of Origin: United States of America
University: University of Texas at San Antonio
Program: Business Administration
Clubs: Spring Formal Committee, Arts Club

Meet JESSYCA

Grade 12

Although she is originally from the United States of America, Jessyca has lived many years in Kuwait as well. She came to Bronte in 2021 and has since been an active member of all activities around campus. She proved that she is a natural team leader when she became part of the Spring Formal Committee. She plans to pursue her career in mathematics and make her way to becoming a successful financial analyst one day.

How long have you been studying at Bronte College and what has made your time here special? For example, were you involved in any student clubs?

I have been studying at Bronte College since September of 2021. The friends that I have met from around the world have given me a multitude of perspectives and memories that will stay with me forever. I have been part of the Art Club and the Spring Formal Committee which has allowed me to pursue my passion in the arts and work as a leader and a teammate.

Where did you gain acceptance to university and which programs? Were you granted any scholarships?

I gained acceptance to University of California, University of Texas, University of Arizona, and University of Buffalo in various applied mathematics and statistics programs. My total entrance scholarships add up to \$84,500, all based on my GPA.

What are your future goals?

This fall I will be going to the University of Texas at San Antonio, where I was awarded the Distinguished Presidential Scholarship, to get a Bachelor of Business Administration Degree in Actuarial Science. I hope to gain some internship experience and graduate early as I received my Associate of Arts Degree in Multidisciplinary Studies in Spring 2021. Afterwards, I hope to continue my career as an actuary and establish myself in the field of financial analysis.

DORMITORY

Bronte College offers safe and comfortable dormitory rooms to over 350 students. Approximately 83% of the rooms are single rooms while the remainder of the rooms are shared (double and quad rooms). Open during all holidays and school breaks, the dormitory houses students from all over the world, creating a vibrant living environment.

Double Room*

Quad Room*

Campus Life Staff

Our Campus Life Staff are dedicated to creating a welcoming environment that will further students' development and enhance their academic potential. They ensure student safety and well-being while creating a dynamic campus life after school and on weekends. They help lead a variety of after school and weekend trips such as the CN Tower, Niagara Falls, Canada's Wonderland and Quebec City. Bronte College strives to make campus life a rewarding experience for all students, resulting in lasting memories and lifelong friendships.

Student Dons

Our Student Dons are another important source of support after school hours. Assigned to each floor of the dormitory, Student Dons are responsible for monitoring dormitory safety, providing guidance to students in need and creating a fun and unified environment. Students are integral to the success of Bronte's Campus Life program and are encouraged to get involved in making the most of their campus life experience.

Campus Life Program

The Campus Life Program is mandatory for dormitory students under the age of 17. Students enrolled in the program must attend supervised Study Hall sessions on Monday to Thursday evenings, from 7:00-9:00pm. They may also participate in most of the weekend trips described above at no additional cost.

Homestay

In addition to dormitory accommodations, Bronte College offers a homestay program, which allows students in Grades 9 to 12 to live with a local host family. Host families are located near the campus and are an ideal way for students to get acclimated to Canadian life. We place students with a host family based on hobbies and preferences to ensure a comfortable and fulfilling experience. All Homestay host families are required to go through a comprehensive screening process, including reference checks, personal interviews, home visits and a Police Records Check.

"The Bronte Campus Life Team is one of the most attentive staff teams at school because their priority is always the students."

– Cordelia

*Rooms do not come furnished with accessories as pictured. They are dressed to show that students can decorate to their preference.

Single Room*

A Day in Campus Life

7:30am – 8:20am	8:20am – 8:30am	8:30am – 3:16pm	3:30pm – 5:30pm

CAMPUS LIFE

Begin your adventure and move confidently in the direction of your dreams to live the life you have imagined at Bronte.

Centrally located in Mississauga, our campus is comprised of our dormitory, cafeteria, academic facilities, and backs onto a quiet conservation parkland.

Facilities

“Being a part of the Food Committee is great because I get to learn more about food from different countries, experience new cultural dishes and work with my friends outside of academics” – Ruhi

Open all year round, students can enjoy the amenities we have to offer, including our fitness room, gymnasium, auditorium, library, outdoor field, courtyard, art & science labs, and full-service cafeteria. All classrooms are equipped with SMART technology to enable interactive, collaborative learning. Facilities are subject to use during designated times.

Cafeteria

Our cafeteria provides nutritious meals prepared by a multicultural team and is open 365 days per year. We offer students a full meal plan. Students are served breakfast, lunch and dinner Monday to Friday, as well as an evening snack Monday to Thursday. Brunch and dinner are served on weekends and holidays. Vegetarian and halal options are available for all meals.

Library

Our library is a wonderful space designed to facilitate collaborative learning for students. Being the hub of the school for networking and information access, the library is a place for all to read, research, study and collaborate. Students utilize current technology by blending a variety of print and digital resources to enhance their learning.

Gym & Outdoor Field

Our campus has a gymnasium and multi-purpose outdoor field, where many athletic, social and extra-curricular activities take place. Additionally, we have a fitness room open seven days a week.

Class of 2017

Meet

ANTON

Meet our alumnus, Anton! He first came to Bronte College in 2014 and has now successfully completed an undergraduate degree from Ontario Tech University. While at Bronte College, Anton was an outstanding student and an active member of many extra-curricular clubs and sports teams on campus. At Ontario Tech University, Anton received two gold medals for graduating the top of his class: one from the Faculty of Engineering and one from the Ontario Professional Engineers Foundation for Education. He has made Bronte College proud!

What are some of the interesting or notable opportunities you have had since graduation from Bronte College?

After graduating and obtaining my degree, I had the opportunity to work as a remote paid contractor for a company out west and I was responsible for completing an individual innovative technology project for them. It grew into a full-time opportunity over the summer, and it has provided me great insight into the Engineering Industry.

What was most memorable about Bronte College for you?

Anton says the most memorable part of Bronte for him was the individual support he received from teachers as well as from the Guidance department.

How best did Bronte prepare you for the challenges of university?

Anton credits Bronte for helping him prepare for the heavy course load at university and by improving his English-speaking skills in preparation for attending a Canadian University, particularly by helping him to expand his technical vocabulary.

Read more about Anton's journey from Bronte College to post-secondary.

EXTRACURRICULAR ACTIVITIES

Find your passion, discover your interests and create memorable experiences at Bronte College. Bronte's campus delivers lively and dynamic opportunities that will fulfill and enhance yourself.

There are many opportunities for students to develop themselves through our extracurricular activities, such as athletics, student clubs and involvement within the local community.

Created by Bronte Grade 12 student

Supplementary Activities

Clubs & Athletics

We recognize the immeasurable value of education beyond the classroom, and offer supervised athletic activities and student clubs after school hours. As a member of the Region of Peel Secondary School Athletic Association (ROPSSAA), our students compete with other area schools in a variety of sports. We offer clubs, sports and activities based on student interest, so each semester's extra curricular program is unique and engaging.

Prefect Council

Students have the opportunity to apply to become a member of the Prefect Council. Prefects are expected to demonstrate a high level of academic achievement, exemplary behaviour, and a desire to develop leadership skills. Prefects organize a variety of student activities that unify the student body and create school spirit and also assist the administration by representing Bronte at open houses and school events.

Arts

Our Art Program covers a wide range of concepts and themes including Art History, the Elements of Art and Design, Media Literacy, Photography, Contemporary Art, Music and Drama. We encourage students to allow their cultural backgrounds to inspire their work, and promote a learning environment that is divergent in thinking, engaging, and relevant.

Each year we host an Art Showcase highlighting exemplary work that demonstrates the techniques students have learned in the classroom. Art students also have the opportunity to attend field trips to various galleries, allowing them to make connections between exhibits and what they have learned throughout the course. Throughout the year, students are given opportunities to display their work around the school and through school-hosted events to make connections between theory and application.

 * Uniform package fees will be sent to students upon acceptance.
 ** Non-refundable application fee must accompany the application form.
 *** Custodianship: Students who are under the age of 18 years will be issued a Custodianship Consent Form. This must be completed and signed by a parent or legal guardian, and returned to the school prior to being issued a Letter of Acceptance. The Notarized Custodianship Declaration fee is non-refundable.
 **** Campus Life activities, supervised study session and most trips included.

HOW TO APPLY

1. Apply online at www.brontecollege.ca. A photocopy of the applicant's passport, certified school reports or official transcripts for the past three years of education, as well as the non-refundable application fee (CAD \$300.00) must accompany the application form.
2. Upon receipt of these documents, the application will be reviewed. If the student is accepted, Bronte College will issue the student a Conditional Letter of Acceptance (CLOA), stating the program and fees payable.
3. Once payment is made to Bronte College, an official Letter of Acceptance and receipt of payment will be issued. International students can apply to the nearest Canadian Embassy or Consulate for a study permit.
4. For international students under 18 years of age, a signed Custodianship Consent Form must be provided by the parents or legal guardian, together with the non-refundable service fee of CAD \$300.00 for the preparation of a notarized Custodianship Declaration.

School transcripts and the completed application fee form can be emailed to admissions@brontecollege.ca

All new students are required to write the Bronte College Proficiency Tests in English, Mathematics and Science if applicable.

More information can be obtained from our website at www.brontecollege.ca, by contacting the school directly at 1 (905) 270-7788 or by sending an email to admissions@brontecollege.ca.
