

Our September 2023 intake is just around the corner, and our Academic staff have already returned to campus to prepare for the upcoming semester.

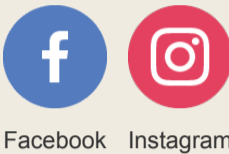

We want to remind our new students that a PDF copy of our Virtual Orientation from last week is available on TEAMS. We highly recommend that you review this document before you travel as it contains important information about what to bring and what to expect upon arrival. If you require any assistance with your Bronte email account or TEAMS, please email Mr. Kingsley Au at [sau@brontecollege.ca](mailto:sau@brontecollege.ca).
