

We can't wait to see you! Classes begin Tuesday, September 5th and returning boarding students may move in beginning this weekend. Orientation for our new students begins Monday!

Orientation

Day students are invited to join us any Orientation Day next week to complete their Orientation tasks. Everyone is invited to attend the Welcome presentation and BBQ on Thursday, August 31, beginning at 10:30am. Thursday afternoon, a representative from our student health insurance company Study Insured will be on campus to answer any questions students or parents may have.

Other orientation activities include tours, uniform fittings, handing in of transcripts and documentation (bring your passport and study permit if you are an international student) and having your student ID photo taken - smile! There will also be opportunities to open a bank account and to arrange a phone plan. It's also a great time to meet other students and have some fun!

Colour Houses

This year, Bronte College is re-introducing colour houses to enrich school spirit, encourage team bonding and foster a healthy sense of competition through games and sport. Now that the pandemic is behind us, we are gearing up to make this the most exciting year yet! All students, both new and returning, will receive an additional uniform piece to enable students to wear their house colour. Brand new Bronte t-shirts with our dragon mascot will be distributed over orientation and the first two weeks of school. The cost for each t-shirt is \$20 and will be debited from the sundry account.

Construction Update!

Our students have waited patiently while we completed extensive renovations to our dormitories. Improvements include new electrical and plumbing, new furniture, lighting and carpet, in addition to freshly renovated washroom facilities. Large closets and lots of storage space provide room for students to store all their belongings. A private sink and vanity make getting ready in the morning so easy! Students each have a dedicated study space with desk lighting, and each room has a/c and central heating. The first several floors are now complete and students will move into the new rooms beginning this semester.

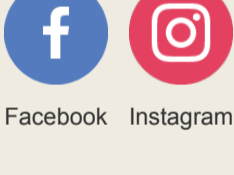

WE HAVE TWO IMPORTANT ANNOUNCEMENTS!

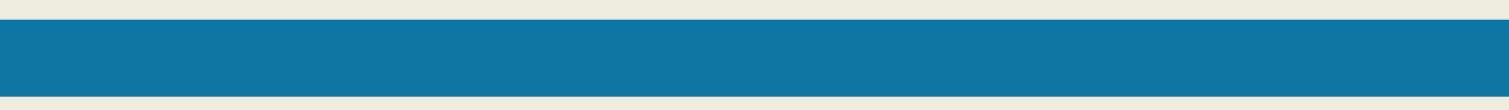

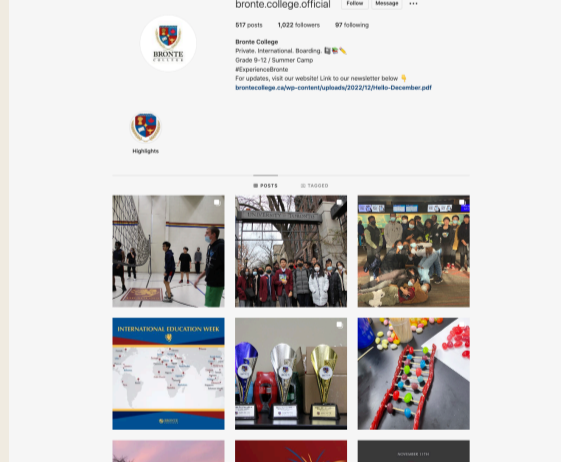

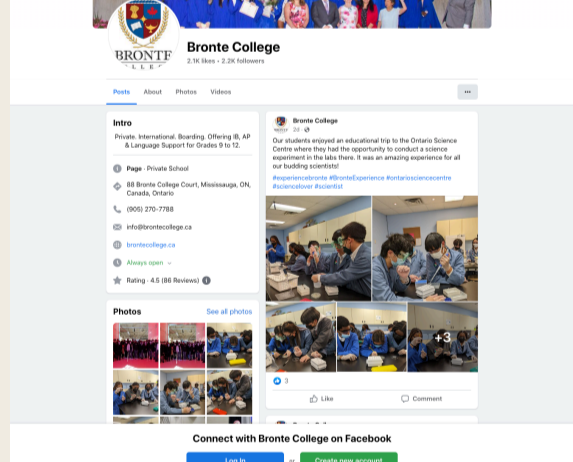

This year, Bronte College will be launching a brand-new Leadership program for our grade 9 and 10 students! This program will include several additional opportunities for personal and leadership development, including workshops, guest speakers, and special off campus events. We are especially excited to be partnering with the Duke of Edinburgh foundation to provide students opportunities to increase their creativity, physical fitness, and problem-solving skills, in a world-recognized program known for its passion for youth development.

As a component of the Duke of Edinburgh program includes an outdoor adventure, we are tremendously excited to announce the resumption of our annual trip to Camp Tawingo! With pandemic restrictions lifted, we are resuming the tradition of our younger participating in a 2-night, 3-day leadership program. Additional details will be emailed to our grade 9 and 10 families this week.

Following us on our Social Media Platforms is also an excellent way to stay updated.
