

It has been a week since the start of the term, and we are happy to see that all our students have settled in nicely. Our Campus Life Team has been working diligently to ensure that each student feels safe and comfortable.

We understand that for some students, this may be the first time they are away from home, which can be stressful or overwhelming. If you feel anxious or just need someone to talk to, our school nurse, Ms. Lyndsey, is available to help. You can find her in the Business office or email her at irvine@brontecollege.ca

Please review the contacts below for any assistance:

- For uniform fittings and exchanges, you can contact Mr. Jaikumar on TEAMS or at ajaikumar@brontecollege.ca.

HEALTH INSURANCE PLAN

All Bronte boarding students are automatically provided with a health insurance plan, which is included in their annual Fees. During Orientation week at Bronte College, Ms. Osogom Odumugbo from Study Insured gave a presentation to explain all the details of the plan. Parents are also welcome to review the attached PowerPoint or visit the link below for more information.

CAMPUS LIFE

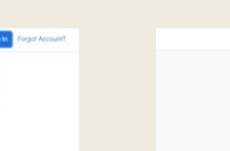

Our Campus Life team aims to organize engaging evening activities for students to socialize, bond and showcase their creativity. Recent activities include painting a huge canvas together unleashing their inner Picassos, cooking a fiesta of tacos with their choice of meat, vegetable and cheese, and competing in a cup-stacking challenge to foster a competitive spirit within. These inclusive experiences help new students mingle and learn from their peers and colleagues.

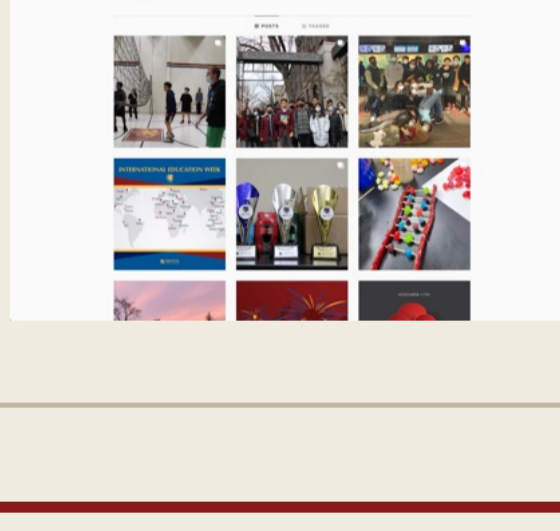

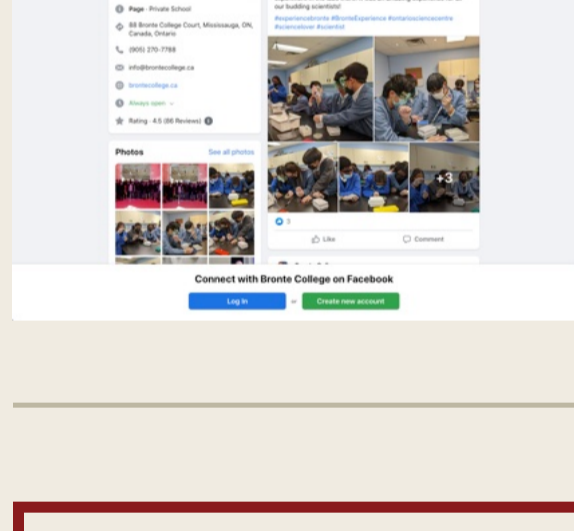

A reminder to all students that they are **NOT** permitted to head up to their rooms during the school day, including lunch hour unless permission is granted by Dr. Gouda.
