

As we finish three weeks of being back in school, this week also marks the official beginning of the fall season. For many of our students from tropical countries, this is their first experience of this beautiful season - it's a picturesque scene.

TERRY FOX RUN

Terry Fox was a Canadian athlete, humanitarian, and cancer research activist. After losing his leg to cancer at only 18 years of age, Terry set out to do the impossible: run across Canada, one marathon a day, in pursuit of his dream of finding a cure for cancer. He called it the "Marathon of Hope".

Bronte College is a proud supporter of the Terry Fox Foundation, and our annual Terry Fox School Run was held on Monday this week. Below are the happy and satisfied faces of some of our students after completing their donation run, showcasing their unity and support for their friends and family who have been affected by cancer. With over 100 students participating and raising more than \$650 for such a noble cause, we can't help but be proud of our Dragons!

Clubs and activities have started on campus – be sure to check out the schedule posted around the school and on the Teams Extra-Curricular page. Our students have options to choose from over 11 clubs including sports like badminton, ping pong, basketball, volleyball, and cross-country training.

STUDENT DON SPOTLIGHT

At Bronte College, we take pride in our appointed Student Dons, who help us by taking on the additional responsibility of assisting other students, enforcing campus policies, and fostering a positive learning environment.

Please meet our Student Don, Damian!
