

Last week marked the first snowfall of the season. For many of our new students who come from much more tropical and warmer countries, this is indeed a beautiful experience. A gentle reminder to dress warm and cover your ears and nose when exposed to high wind chill.

CAMPUS LIFE

Our students participated in a research database study at SickKids, a local hospital for the Canadian Laboratory Initiative for Pediatric Research Intervals (CALIPER), a nationwide health initiative aimed at improving the diagnosis and monitoring of medical concerns in children and adolescents. As a token of appreciation, they received a gift card and a certificate of participation. All participants were also awarded 2 hours of community service points.

It has been an eventful week for the Bronte varsity sports teams. Our basketball team participated in an exciting tournament with other secondary schools in the Peel Region and played exceptionally well. Additionally, our girls' volleyball team secured the second position in a regional tournament. Congratulations to the Bronte Dragons!

ANNOUNCEMENT

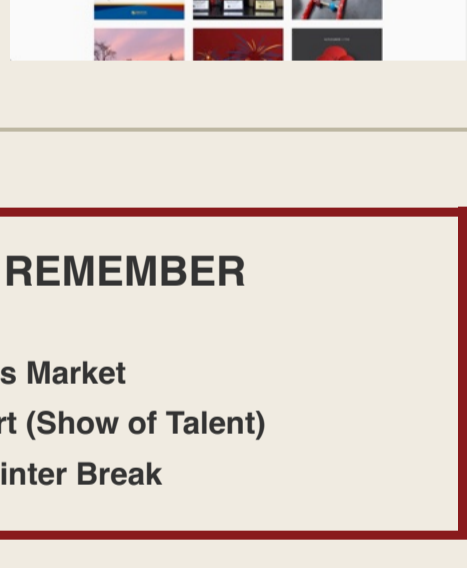

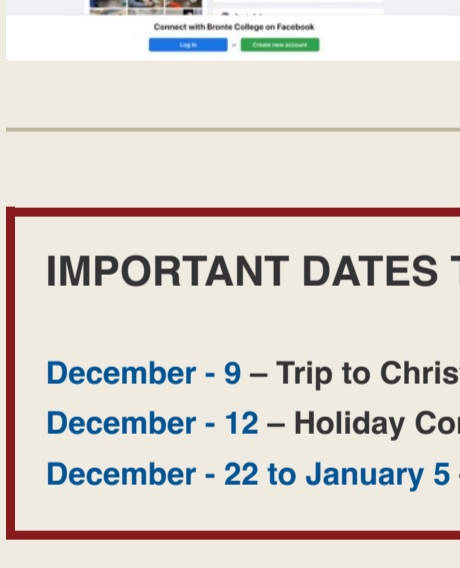

We are excited about the upcoming holiday concert where the Grade 9 and 10 music class will be showcasing songs and performances that they have been working on. Students from outside of music class, who are interested, will also be performing.
