

BRONTE BEAT - Volume 33 - Issue 30

March 7, 2024

As we near the start of spring in less than three weeks, it appears that the weather is already becoming warmer. Soon, we will all have longer days to enjoy due to Daylight Saving Time, which will begin on March 10th, 2024, at 2:00 AM.

RAMADAN

We would like to extend our warmest wishes to everyone who is celebrating Ramadan. Ramadan is the ninth month of the Islamic calendar and is observed by Muslims worldwide as a month of fasting, prayer, and self-reflection. This year, Ramadan will begin on March 10th and continue until April 9th, 2024.

Special arrangements will be made for early breakfast (Suhoor) and late dinner (Iftar) for students who will be fasting. Kindly inform the Campus Life Team and Dr. Gouda if you plan to observe the fasts.

ACADEMICS

Ms. Motiwala's Grade 12 Visual Arts students created impressive artwork showcasing their talents and hard work.

Our grade 11 students participated in *The Marshmallow Challenge*, a popular team-building activity that provides valuable insights into human behaviour, particularly in the context of collaboration, innovation, and problem-solving. The activity served as a practical lesson in teamwork and problem-solving, encouraging students to work with classmates they might not collaborate with as often.

SCHOOL PREFECTS

We would like to congratulate Nirada and Vitali who have been appointed as Junior School Prefects for this year. You can spot them around the campus proudly wearing their distinctive golden tie.

CAMPUS UPDATES

Attention all students who will be away for the March break: please remember to tidy up your room and empty the trash bins before leaving. Also, make sure all lights and switches are turned off to conserve energy.

For those of you who will be staying on campus, please note that our campus and cafeteria will remain open throughout the break. Our campus life team will also be available to assist you during this time.
