SUMMER CAMP

As we approach the month of May, we have less than ten weeks remaining in the school year. Soon, we will be celebrating our graduates and welcoming new intakes for our Summer Camp. If you have any younger siblings, family, or friends who might be interested in joining us this summer, we would be delighted to have them.

WHAT'S HAPPENING ON CAMPUS

It has been a busy time for the sports teams at Bronte College. Recently, the Bronte Badminton Team played an interschool game and each player made Bronte proud with their dedication, determination, and focus. Tony (Tin Lok) performed exceptionally well and secured 3rd Place in the High School division. We are all proud of him! Likewise, our Co-ed Volleyball team played an impressive inter-school tournament and although all the players played an amazing game and showcased their talent, Elias stood out and was awarded the MVP medal for Bronte. Our Soccer team, the Bronte Dragons, has also been busy practicing their skills and drills for the upcoming inter-school game season.

Our Grade 11 Chemistry students conducted a hydrate lab investigation, where they explored the properties of hydrates and learnt how hydrates lose water when heated and regain it when cooled.
