

BRONTE BEAT - Volume 33 - Issue 38

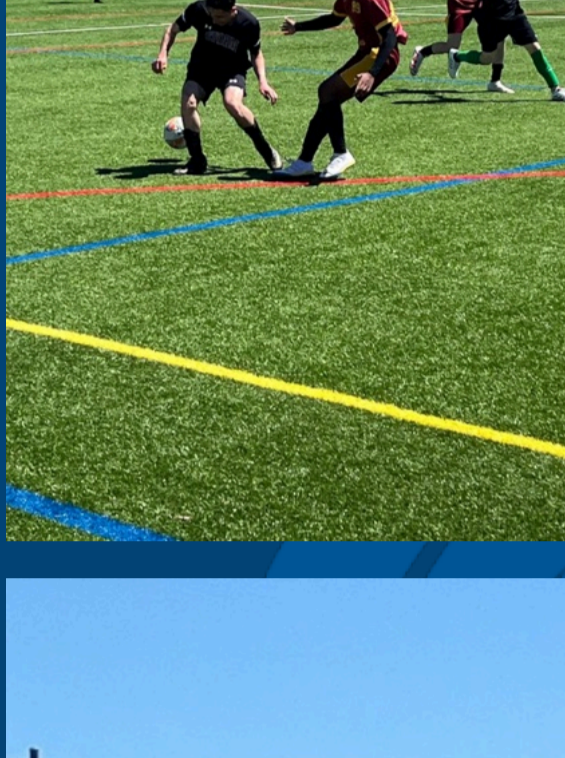

May 9, 2024

"As someone once said, 'Life does not come with a manual, it comes with a mother.' This Sunday, Canada will celebrate Mother's Day, which is a special occasion to express gratitude and honour the women who have helped us navigate life's challenges. On behalf of Bronte, we would like to extend a heartfelt message to all mothers and motherly figures, wishing them a wonderful Mother's Day."

## WHAT'S HAPPENING ON CAMPUS

Our soccer team participated in an all-day ROPSSAA tournament last week. The weather was beautiful and sunny, and although the team faced some bumps and bruises, they secured one win and suffered two losses. The victory was hard-fought, so let's savour the win, Dragons, and aim for more in the future!

Ms. Motiwala's grade 10 students experimented with printmaking, an artistic process that involves transferring images from a matrix onto another surface, often paper or fabric.

Our resident nurse, Lyndsey, hosted an addiction-themed workshop at the wellness center. Students openly shared their perspectives on addictions like technology dependency and staying up late. They brainstormed strategies to overcome these challenges and ways to recognize addiction in others.
